## Ray Rowland Set For Rotary Talk

### Purina President Will Address Annual Farm-Urban Gathering

Ray Friend, president of the Circleville Rotary Club, has announced that Ray E. Rowland, president of the Ralston Purina Company and former local resident, will address the club's annual rural-urban meeting tomorrow.

Approximately 125 local Rotarians and their farmer guests will attend the gathering at the EUB service center.

The farmers meeting has been an annual Rotary affair for many years. It was originated by the Rotarians, as businessmen, to show their appreciation to the local farmers for their patronage, and to promote better understanding of mutual problems.

Establishment of Berger Hospital as a city-county hospital governed by a board of governors, instead of a city hospital managed by the safety director, was a result of suggestions by a panel of farmers at one of these meetings. The gathering has always been a highlight of the Rotary year.

### Threat Bared In Probe Of Labor Rackets

WASHINGTON (AP) — Sen. McClellan (D-Ark) said today the brother of a key witness in the Senate rackets investigation has been threatened with death, and that the FBI is investigating.

McClellan called the threat a challenge from the underworld to law and order and to the power of the government of the United States."

McClellan said it was a challenge his committee will accept.

McClellan's statement that there had been a threat to Carl Elkins marked the start of the second day of hearings in which the committee is investigating alleged gangster and racketeer infiltration of labor unions and industry in the Portland area.

James Elkins said after McClellan's statement, that he had just one comment: "My brother had just one comment: 'My brother was not in the rackets."

Carl Elkins, 61, told police in Phoenix, Ariz., that he received a telephone call Tuesday night in which a voice he couldn't identify told him: "Have that brother of yours quiet down. Frank and Dave don't want him to talk any more."

"Frank and Dave" were not immediately identified.

Elkins Tuesday described dealings with Teamster union officials and with William Langley, Portland district attorney. He said he helped swing Teamster political support to Langley in 1954 in return for what he called a "flat-footed" pledge from Langley to protect Elkins' gambling joints.

IN 1940 he was promoted to as-

### Browder-FDR Intermediary Gives Report

WASHINGTON (AP) — A woman artist has told the Senate Internal Security Subcommittee she served as an intermediary between President Roosevelt and Communist Earl Browder during World War II.

Miss Josephine Truslow Adams of New York testified before the subcommittee in a closed hearing Jan. 16. The testimony was released Tuesday.

Miss Adams told the subcommittee she often visited Roosevelt at the White House and at his Hyde Park, N. Y., home. She said "became a routine, almost."

She said she stayed overnight at Hyde Park "several times," but never at the White House.

Browder, former No. 1 communist in the United States, was released from prison in May 1942 after Roosevelt commuted a sentence for passport fraud.

LOG note—

### Army Said Losing Missile Project

WASHINGTON (AP) — Secretary of Defense Wilson says there will be only one intermediate range ballistic missile. He gave a strong hint Tuesday that it will be the Air Force's Thor rather than the Army's Jupiter.

Wilson said the Army project has been "canceled," but that the Army would continue testing its Jupiter for a time. Parts of the Jupiter might go into the final version of the 1,500-mile range rocket.

Last fall Wilson ruled the Air Force would be the service to use the IRBM, with the Army confined to use of shorter range missiles. He did not say specifically which service would proceed with the program, except to rule out the Army.

## Youth Leadership Contest Won By Two Local Seniors

### Joseph Caldwell And Sidney Graves Will Receive \$25 U. S. Savings Bonds in Elks-Sponsored Event

A Circleville boy and a Pickaway Township girl have been selected as winners of the annual Youth Leadership Contest sponsored by the Elks Lodge.

Robert W. Wood, exalted ruler of the Circleville lodge, said today that the 1957 winners were Joseph G. Caldwell, a senior in Circleville High School; and Sidney Graves, a senior in Pickaway Township High School.

Wood said each of the winners, selected by a panel of three judges, would receive a \$25 U. S. Savings bond. Each case history will be forwarded for judging on a district level. District winners will compete in state judging and that winner will go on to nationwide competition.

National awards, identical for boys and girls, are: First prize, \$1,000 U. S. bond; second prize, \$500 bond; and third prize \$300 in bonds.

Caldwell and Miss Graves were selected from among entries from the 12 high schools in Pickaway

County. All youngsters under the age of 19 were eligible.

Miss Graves has won county honors. She placed first in the 1955 contest and went on to capture top district honors.

She was ineligible to compete in the 1956 contest because of an Elks grand lodge ruling which prohibits any one contestant winning two consecutive years. The 1956 winners, neither of whom was eligible this year, were Linda Wilson of Pickaway Township and George Bowling of Jackson Township.

Contest winners were selected on the basis of (1) leadership, (2) Americanism and citizenship appreciation, (3) perseverance, (4) stability and resourcefulness and (5) sense of humor.

Both Miss Graves and Caldwell garnered top honors in these five categories. The judges rated them close together on a possible 100-point basis, giving Miss Graves a total score of 98 with Caldwell a single point behind.

The two winners will receive their \$25 U. S. bonds during the annual high school dance which will be sponsored by the Circleville

### Circleville Wins, Scioto Is Defeated In Tourney Play

Circleville's basketball Tigers registered their first win in the district class AA cage tournament at Granville last night by posting a landslide 76 to 16 victory over Franklin Heights.

Scioto Township, however, did not fare so well in the class A tourney at Westerville as they dropped a close 74-72 contest to Pleasant of Marion County.

Circleville will seek its second win in tourney competition Friday night when they meet Westerville at Granville. Westerville recorded its first tournament win last night with a victory over London.

Ashville, Pickaway County's other entry in the class A tournament, is slated to meet Pleasant Friday night. The Broncos have already chalked up their first tourney win, a 56 to 36 decision over Byhalia Monday night.

Turn to the sports page for stories on last night's games.

### Mallet-like Conferences Narrow Split

WASHINGTON (AP) — French Premier Guy Mallet was scheduled to end his talks with President Eisenhower today reportedly convinced they had helped narrow a split in French-American policies.

Optimistic reports came also from James C. Hagerty, White House press secretary, who told questioning newsmen there "certainly was" a great deal of progress made at two conferences and a formal luncheon Tuesday.

The talks have been aimed not so much at reaching specific agreements as at healing a breach which followed the French and British invasion of Egypt last fall. The United States had protested that move.

Israel, which moved in first, still has troops stationed in two areas claimed by Egypt, and has rebuffed U.N. demands for withdrawal.

As a result of Tuesday's discussions, top French diplomats said Mallet now is confident the Israeli troop withdrawal problem can be settled without drastic United Nations sanctions.

Mallet is known to have argued strongly against any such punishment of Israel during two intensive talks at the White House.

Deputies Thwarted By Bulky Cruiser

FRESNO, Calif. (AP) — There are some embarrassed deputies in the Fresno County sheriff's office.

They maintained a vigil for five days near a vacant farmhouse where thieves had stashed a stolen safe.

Tuesday a deputy saw a light in the house.

Three deputies piled into their cruiser, but couldn't start it.

When they finally got to the safe, via a borrowed pickup truck, they found it open and \$174 missing.

## Phone Pact Vote Results In Doubt

### Majority Approval Is Required; Portsmouth, Circleville Opposed

By THE ASSOCIATED PRESS

Striking telephone workers have voted by a narrow margin to accept a contract that would end the 229-day strike against the Ohio Consolidated Telephone Co. unofficial returns revealed today.

The vote was 207 to accept the agreement and 186 to turn it down, according to unofficial reports from local units of the Communications Workers of America (CWA) whose members work in Ohio Consolidated exchanges serving 24 Ohio counties.

The agreement will be signed formally this afternoon if official returns bear out the unofficial figures.

Latest unofficial returns from St. Marys gave 15 favorable votes to 11 against, those from Cambridge gave 38 favorable votes and none against the contract. The Cadiz voting was 60 for and 31 against.

The union claimed 600 members including 300 in Scioto County, when the strike began last July 15. Since then many have obtained jobs elsewhere and some may not have turned out to vote.

THE PORTSMOUTH local, No. 4372, turned down the agreement 117-48, according to its president, Robert Arnett. Union members in Greenfield and Wilmington voted 44-2 to ratify the agreement. They belong to Local 4374, as do St. Marys members whose vote was not known. Circleville members of the same local voted 27-2 against the agreement.

COMPANY REPAIR crews Tuesday began the task of restoring telephone service in Scioto County.

A wave of cable-slashing completely blacked out service in the area Friday for the third time since the strike began.

Emergency service will be restored to hospitals, police and fire departments within a few days, company officials said, but they added it will probably take several weeks to restore normal service to residences.

IN Portsmouth, Local 4372 rejected the proposal 117-48.

In Greenfield, members are reported to have favored the proposal 44-0.

Cadiz union members were reported unofficially to have favored the contract.

Circleville members voted 27-2 against the proposal.

E. L. Phillips, a federal mediator who has been sitting in on the negotiations, said the agreement must be ratified by a majority of the union members.

ROBERT ARNETT, president of the Portsmouth local, said the proposal calls for the discharge of 19 employees there if unfair labor practices charges against them are proved true. He said the Portsmouth local is demanding that the "blackball" list be reduced from 19 to 5.

In all some 600 CWA members were scheduled to have voted on the issue Tuesday.

Three CWA locals are involved in the strike. They are Local 4372, with headquarters in

Two among the 29 strikers in the Circleville branch are reported to be among those workers which the company has refused to rehire. The company has objected to them because of their supposed role in a sidewalk incident three weeks ago in which a company operator was injured, either as the result of a fall or because of being tripped.

Union members, however, deemed it unlikely that the two strikers in question would be kept from returning to work. Members said: "The company has no case against them."

The members refused to name the two strikers involved.

Fire Marshal Ban Given Court's Nod

WASHINGTON (AP) — The Supreme Court has ruled, in effect, the fire marshals can bar law enforcement officers from attending closed hearings during fire investigations.

In a 5-4 vote, the high court sustained lower court rulings against two Dresden, Ohio, men, who refused to answer questions during a closed fire investigation unless their attorneys were present.

The two, Harry and Nathan A. Groban were charged with contempt and released on \$100 bond in a case involving a fire at their Bush Woolen Mills Co. plant at Dresden, about 12 miles north of Zanesville, in February, 1953.

Cincy Vote Fraud May Be Re-Tried

COLUMBUS (AP) — The Ohio Supreme Court today returned the vote fraud case of Robert Gethen to Hamilton County common pleas court for further proceedings.

The 6-0 decision reversed an appellate court that in turn had reversed Gethen's conviction on a charge of falsifying figures in a 1954 recount of votes. Gethen was a Republican witness in Cincinnati's Ward 20.

"There is sufficient evidence," the Supreme Court said, "to have raised a jury question as to defendant's guilt, and in such a situation, the sole function of the court of appeals is to set aside the judgment and remand the cause for a new trial."

### U. S. Envoy Quits Post In Hungary

BUDAPEST, Hungary (AP)—U. S. Minister Edward T. Wailes left Hungary today, in a final snub of Premier Kadar's government.

Legation officials said it was unlikely he would return.

Wailes, a former assistant secretary of state, had been in Hungary nearly four months without even having had official contact with the regime. He never presented his credentials.

Hardest hit were regions in north central Washington and southern Idaho but much of eastern Washington and Oregon and parts of the western slope were affected by the runoff.

At Wilson Creek, a town 110 miles west, southwest of Spokane, Crab Creek broke over its boundaries Tuesday night and within short time water was 5 to 6 feet deep and still rising. The 250 to 400 townspeople were evacuated to a high school north of town but that region soon was cut off.

Ashville, Pickaway County's other entry in the class A tournament, is slated to meet Pleasant Friday night. The Broncos have already chalked up their first tourney win, a 56 to 36 decision over Byhalia Monday night.

Turn to the sports page for stories on last night's games.

2 More Marines Convicted Of Mistrating Recruits

PARRIS ISLAND, S. C. (AP) — A bull-voiced Marine staff sergeant was convicted Tuesday of assault "consummated by a battery" on Pvt. Kenneth Allen Benjamin, New York City.

Originally, he was also accused of striking Pvt. Laverio Glusich, Brooklyn, N. Y. and Pvt. Dominic Tomaro, East Paterson, N. J., and chocking Pvt. Gaetano Inglima, North Bergen, N. J.

He denied everything. As the charges were originally presented, Rich could have received a bad conduct discharge, reduction to private, six months at hard labor and forfeiture of two thirds of his pay (\$183.40 a month) during confinement.

Tomaro was tried on charges of disobeying orders and given a 30-day suspended sentence.

Rain

Occasional rain likely tonight. Thursday, partly cloudy and slightly warmer in west portion. Yesterday's high, 70; low, 51. Year ago high, 56; low, 27. Temperature at 8 a. m. today, 53.

Wednesday, February 27, 1957

## Ray Rowland Set For Rotary Talk

Purina President Will Address Annual Farm-Urban Gathering

Ray Friend, president of the Circleville Rotary Club, has announced that Ray E. Rowland, president of the Ralston Purina Company and former local resident, will address the club's annual rural-urban meeting tomorrow.

Approximately 125 local Rotarians and their farmer guests will attend the gathering at the EUB service center.

The farmers meeting has been an annual Rotary affair for many years. It was originated by the Rotarians, as businessmen, to show their appreciation to the local farmers for their patronage, and to promote better understanding of mutual problems.

Establishment of Berger Hospital as a city-county hospital governed by a board of governors, instead of a city hospital managed by the safety director, was a result of suggestions by a panel of farmers at one of these meetings. The gathering has always been a highlight of the Rotary year.

Rowland, listed as main speaker, attended the University of Illinois and graduated from the College of Agriculture of the University of Wisconsin in 1925. He was employed by the Ralston Purina Company in 1926 as junior salesman and after several promotions was made district sales manager in 1932. In 1934, he was made manager of the company's plant in Circleville.

While in Circleville, Rowland was very active in local affairs. He joined Rotary here in 1934 and was a resident in 1939-40.

He bought and operated the farm owned by Dr. Wells Wilson in Pickaway Township during his stay here.

He was a Member of the Circleville City Board of Education and a member and active booster of the Pickaway Country Club.

IN 1940 he was promoted to as-

Sun Melting Snows, Bringing Heavy Runoff

By THE ASSOCIATED PRESS

Fed by snows melting under a warm sun, streams lacing three Pacific Northwest states rolled out of their banks into lowland towns and farms today, forcing the evacuation of hundreds of persons, disrupting normal communications and making islands of thousands of square miles of land.

Hardest hit were regions in north central Washington and southern Idaho but much of eastern Washington and Oregon and parts of the western slope were affected by the runoff.

At Wilson Creek, a town 110 miles west, southwest of Spokane, Crab Creek broke over its boundaries Tuesday night and within a short time water was 5 to 6 feet deep and still rising. The 250 to 400 townspersons were evacuated to a high school north of town but that region soon was cut off.

## Quail Hunting Bill Gets OK At Hearing

COLUMBUS (AP) — The Senate Conservation Committee heard pleas Tuesday for approval of a bill to allow quail hunting in Ohio.

Opponents will testify in another hearing next week.

Sen. Lowell Fess (R-Green), sponsor of the measure, said Ohio should follow the example of neighboring states where quail hunting is allowed.

Qual was taken from the protected songbird list in 1949 and declared a game bird for propagation purposes only.

Fess won approval of an amendment to his bill which would empower the Ohio Wildlife Council to set the length of any quail hunting season. The bill as introduced provided a 10-day season.

"There is no danger of quail becoming extinct or rare as a result of hunting," Fess asserted.

"Areas of northern Indiana, Illinois and Wisconsin, which have low quail populations, have supported hunting for many years."

Erwin Bauer, Ohio Conservation Bulletin Editor, said enactment of the bill would be of special benefit to hunters in southeastern Ohio.

"Southeastern Ohio has some of the finest quail cover in the nation," he said.

## Eastern Dairymen Staging Strike For Hike In Prices

NEW YORK (AP) — State troopers patrolled highways today in sections of New York, New Jersey and Pennsylvania to curb further violence in a milk price strike, now in its third day.

Reinforced state police detachments were ordered out as the strike grew in momentum.

The strike thus far has been marked by sporadic outbreaks of gunfire, dynamiting, truck stoppages, picketing, fist fights and milk contamination.

There have been no serious injuries, but several men have been arrested.

A thousand tons of milk have been spilled on the ground or otherwise destroyed as a small group of dairy farmers pressed

demands for a higher price for raw milk.

Only an estimated 3,500 of the tri-state area's 45,000 dairymen supplying the New York City metropolitan milkshed are said to be involved. The strikers are members of the Tri-state Master Dairy Guild.

THE MILK Marketing Administration said that about 10 per cent of the metropolitan area's milk supply was withheld Tuesday. It caused no hardship to housewives. Affected were 48 of the area's 381 processing plants, an increase of 17 over the previous day.

The plants normally produce 10 million quarts of milk a day. Withheld Tuesday were 2,048,925 pounds of milk, sufficient for almost a million quarts of milk.

## Strikers Here Vote 27 To 2 Against Offer

Members Say Only Benefits Would Be Getting Jobs Back

\*\*

Circleville rank and file union members said today that the local branch of the Communications Workers of America, on strike against the Ohio Consolidated Telephone Company, has turned down an agreement placed before the CWA membership by union negotiators.

There was no official statement locally by union leaders. Individual union members, however, said the proposed contract was rejected here by a vote of 27 to 2.

Official returns from other CWA locals throughout the state were still incomplete. However, a report from the pivotal Portsmouth local said that its members had voted 117-48 against the tentative agreement.

The agreement was negotiated Sunday in Columbus between top representatives of the telephone company and the union. It must be approved by a majority of the rank and file union membership before it can go into effect.

Terms of the agreement have not officially been made public. However, according to unofficial reports, the company has agreed to take back all but about 20 employees and to grant a small pay increase. The union has reportedly agreed to accept a "maintenance of membership" clause in the contract rather than a union shop which it had previously sought.

A MEMBER of the Circleville striking group, expressing the general dissatisfaction with the agreement, said:

"About all that we got out of it was getting our jobs back!"

Local members declined to say whether they would seek their old jobs back if the entire union approves the agreement, thereby ending the strike. The strikers said they would wait to see the total returns before making any decisions.

If the strike is settled, rank and file members may request their former jobs back. The company then has two weeks in which to take them back.

Two among the 29 strikers in the Circleville branch are reported to be among those workers which the company has refused to rehire. The company has objected to them because of their supposed role in a sidewalk incident three weeks ago in which a company operator was injured, either as the result of a fall or because of being tripped.

Union members, however, deemed it unlikely that the two strikers in question would be kept from returning to work. Members said: "The company has no case against them."

The members refused to name the two strikers involved.

## Fire Marshal Ban Given Court's Nod

WASHINGTON (AP) — The Supreme Court has ruled, in effect, the fire marshals can bar lawyers from attending closed hearings during fire investigations.

In a 5-4

## News In Brief

### Backing Sought For New U.S. Israeli Plan

UNITED NATIONS, N. Y. (AP) — The United States sought support today for a compromise plan to get Israeli troops out of Egypt and the Gaza Strip without resort to sanctions.

Observers predicted such a plan would run into bitter opposition from the Arab states, which had been counting on American support for their sanctions demand.

Details of the U. S. proposal were not disclosed, but U. S. delegation sources said it probably would contain ideas put forward Tuesday by Canadian Foreign Secretary Lester Pearson.

The U. S. plan reportedly has two key aims—immediate withdrawal of Israeli troops and insurance that there will be no reversal of hostilities.

The American sources said it would omit the call for sanctions spelled out in an Asian-African resolution now before the Assembly. Reports were current, however, that the U. S. plan would try to meet Arab objections by providing that if the Israelis did not pull out within a certain time, the Assembly would consider penalties. A resolution with no punitive clause would arouse the ire of the Arabs.

Pearson's four-point proposal called for Israel and Egypt to promise to observe the provisions of their 1949 armistice, for the U. N. Emergency Force to be deployed along the armistice line and the Gulf of Aqaba, Egyptian agreement not to interfere with freedom of shipping in the gulf, and a U. N. administration to gradually take over from the Israelis in the Gaza Strip.

BERLIN (AP) — The West Berlin tabloid *Nacht + Depesche* reported today Russia is building four rocket missile bases in Czechoslovakia that could threaten Paris and London.

CHESTERFIELD, England (AP) — Five hundred miners are on strike because their tea is too weak. The men said the mine bosses had ordered their canteen manager to use fewer tea leaves, then fired the manager when she complained that the men didn't like the resulting brew.

LONDON (AP) — The House of Commons Tuesday night voted 160-38 against a proposal to let Church of England and Roman Catholic clergymen be eligible for election to Parliament.

### Gretchen Hott Of Scioto Wins Spelling Test

Gretchen K. Hott, sixth grade student at Scioto Township school, was crowned champion of the annual Pickaway county grade school spelling bee, held yesterday in Jackson Township school.

The 11-year-old champion speller is the daughter of Mr. and Mrs. Raymond Hott, Circleville Route 3.

Second place in the contest went to Carolyn Free, eighth grade New Holland student. She is the daughter of Mr. and Mrs. Bert Free.

The two girls will represent Pickaway County in the 1957 citizens spelling bee, tentatively set to be held in the Ohio State University Student Union on March 30.

Other students taking part in the test yesterday were as follows: Anne Smith, Harry Rainy, Harriet Anderson, Jeanne Walker, Beverly Cromley, Sue Dennis, Jeri Skinner, Darlene Hopkins, Annetta Davis and Sue Rihl.

### License Tag Sales Start On March 1

The local vehicle registrar's office at the courthouse has received its yearly supply of auto tags for 1957 which will go on sale here March 1.

Registrar Bob Wood reminded motorists that deadline for obtaining new plates will fall on March 31. He also pointed out that tag buyers should bring their certificate of title and registration card when they come to the local office to purchase plates.

Registrar Wood also reminded motorists applying for new drivers licenses that they should bring

### Motorists Fined In Muny Court On Traffic Counts

Today's roundup of cases in Circleville Municipal Court included four motorists who were fined for traffic violations.

The drivers were arrested by the state patrol. They were as follows:

Richard Tackett, 45, New Boston; \$50 and costs for using fictitious license plates.

Robert Channel, 32, Columbus; \$15 and costs for speeding at 75. Richard Powell, 26, Chillicothe; \$11.50 bond forfeiture for passing a stop sign.

Charles Friedenberg, 64, Bexley; \$10 and costs for crossing a yellow line.

### Algerian Rebels Claim New Setup

TUNIS (AP) — Leaders at the Algerian nationalist rebellion's headquarters in Tunis today claimed that their movement has developed into a well-organized insurrection complete with a "war cabinet" and radio.

These informants said that the National Liberation Front now controls a fighting force of 100,000 men. They asserted that this force is uniformed, with chevron-and-star insignia, and that the organization gives special pay to "freedom fighters" with families.

French military officers in Paris claim the armed rebel forces in Algeria run between 10,000 and 20,000. Fighting them are French forces estimated at 400,000.

### DEATHS AND FUNERALS

#### FRED G. GARRETT

Fred G. Garrett, resident of Saltcreek Township, was found dead in his home Tuesday afternoon.

Arrangements are being completed by the Defenbaugh Funeral Home.

Richard Tackett, 45, New Boston; \$50 and costs for using fictitious license plates.

Robert Channel, 32, Columbus; \$15 and costs for speeding at 75. Richard Powell, 26, Chillicothe; \$11.50 bond forfeiture for passing a stop sign.

Charles Friedenberg, 64, Bexley; \$10 and costs for crossing a yellow line.

Emily Ellen Wolfe, 23, of Circleville Route 3 died about 1:50 a. m. Wednesday in Berger Hospital.

She was born May 21, 1933, in Louisa, Ky., the daughter of Estill and Mary Burchett Salyers of Circleville Route 3, who survive.

Mrs. Wolfe is survived by her husband, Lawrence Wolfe of Circleville Route 3.

Other survivors include: two brothers, William Salyers and Estill Salyers, Circleville Route 3; and grandfather, Rollie Salyers, Circleville Route 3.

Funeral arrangements are being completed by the Defenbaugh Funeral Home.

MRS. ANTHONY WOJCIAK

Funeral arrangements have been completed for Burnelle Wojcik, who died Tuesday morning in the Walter Goodman residence.

Funeral services will be Friday at 2:30 p. m. in the Stoutsburg Lutheran Church with the Rev. Harry Merle officiating.

Burial will be in Maplehill Cemetery.

Former music students will serve as pallbearers.

Friends may call at the Defenbaugh Funeral Home Wednesday evening and Thursday evening.

The body will be moved to the

church at the noon hour Friday, where friends may call until time for the service.

#### GEORGE MCKINNEY

Funeral arrangements have been completed by the Defenbaugh Funeral Home for George McKinney of E. Ohio St.

Mr. McKinney, a retired Pennsylvania railroad employee, died Tuesday morning in a Columbus hospital.

Arrangements are being completed by the Defenbaugh Funeral Home.

Richard Tackett, 45, New Boston; \$50 and costs for using fictitious license plates.

Robert Channel, 32, Columbus; \$15 and costs for speeding at 75. Richard Powell, 26, Chillicothe; \$11.50 bond forfeiture for passing a stop sign.

Charles Friedenberg, 64, Bexley; \$10 and costs for crossing a yellow line.

#### IN THE scholastic field, Caldwell is near the top. His name is generally found in the "4.0" listing of the Circleville honor roll. He received superior rating in the eighth grade state test, superior rating in saxophone at the Ohio State Musical Assn. district adjudications his freshman, sophomore and junior years. And honors

have come for other musical instrumental efforts. He has been a member for three years of the English Merit Society, a member of the junior play cast and a Hi-Y Club member.

He has been a Grange member

12 years and was a member of Grange degree team which placed second in state competition last year. He has been a

## News In Brief

### Backing Sought For New U.S. Israeli Plan

UNITED NATIONS, N. Y. (UPI) — The United States sought support today for a compromise plan to get Israeli troops out of Egypt and the Gaza Strip without resort to sanctions.

Observers predicted such a plan would run into bitter opposition from the Arab states, which had been countering on American support for their sanctions demand.

Details of the U. S. proposal were not disclosed, but U. S. delegation sources said it probably would contain ideas put forward Tuesday by Canadian Foreign Secretary Lester Pearson.

The U. S. plan reportedly has two key aims—immediate withdrawal of Israeli troops and insurance that there will be no revival of hostilities.

The American sources said it would omit the call for sanctions spelled out in an Asian-African resolution now before the Assembly. Reports were current, however, that the U. S. plan would try to meet Arab objections by providing that if the Israelis did not pull out within a certain time, the Assembly would consider penalties. A resolution with no punitive clause would arouse the ire of the Arabs.

Pearson's four-point proposal called for Israel and Egypt to promise to observe the provisions of their 1948 armistice, for the U. N. Emergency Force to be deployed along the armistice line and the Gulf of Aqaba, Egyptian agreement not to interfere with freedom of shipping in the gulf, and a U. N. administration to gradually take over from the Israelis in the Gaza Strip.

BERLIN (UPI) — The West Berlin tabloid *Nacht + Despeches* reported today Russia is building four rocket missile bases in Czechoslovakia that could threaten Paris and London.

CHESTERFIELD, England (UPI) — Five hundred miners are on strike because their tea is too weak. The men said the mine bosses had ordered their canteen manager to use fewer tea leaves, then fired the manager when she complained that the men didn't like the resulting brew.

LONDON (UPI) — The House of Commons Tuesday night voted 160-163 against a proposal to let Church of England and Roman Catholic clergymen be eligible for election to Parliament.

### Gretchen Hott Of Scioto Wins Spelling Test

Gretchen K. Hott, sixth grade student at Scioto Township school, was crowned champion of the annual Pickaway county grade school spelling bee, held yesterday in Jackson Township school.

The 11-year-old champion speller is the daughter of Mr. and Mrs. Raymond Hott, Circleville Route 3.

Second place in the contest went to Carolyn Free, eighth grade New Holland student. She is the daughter of Mr. and Mrs. Bert Free.

The two girls will represent Pickaway County in the 1957 citizens spelling bee, tentatively set to be held in the Ohio State University Student Union on March 30.

Other students taking part in the test yesterday were as follows: Anne Smith, Harry Rainy, Harriet Anderson, Jeanne Walker, Beverly Cromly, Sue Dennis, Jerry Skinner, Darlene Hopkins, Annette Davis and Sue Rihl.

### Youth Contest Won By Two Local Students

(Continued from Page One)

Elks Lodge in Pickaway Fairgrounds Coliseum early in May.

The dance, an annual affair put on by the lodge for high school age youngsters of the entire county, features a leading orchestra and extensive decorations—all without charge to the youthful guests.

Miss Graves' record in the field of youth leadership is more than impressive. She is president of her senior class and president of the Pickaway chapter of the National Honor Society.

SHE HAS maintained high scholastic ratings along with a mass of extra-curricular activities. In the eighth grade, she ranked in the upper one percent of the state in a general test. She has maintained a grade of B or better in the first 11 grades of school.

In the field of music, she has appeared in plays or operettas in grades one through six, in the county chorus four years, Delaware Music Festival four years, orchestra accompanist five years, band four years, has been in the junior and senior class plays and is art editor of the school paper.

In the Juvenile Grange, she has been lecturer, secretary and master and has been master of the Ladies Degree Team.

She entered the Soil Conservation Essay Contest in 1953 and 1954, winning local, county, district and state contest first prizes and was awarded a bronze plaque and \$220.

She has been a 4-H Club member for eight years, four of them as president. She has carried 11 4-H clothing projects, winning first in the county ten times, and second once. In Ohio State Fair competition, she won first prize in 1954 in the Dress-up Dress Review and in 1955 won first in the tailored clothing contest. In demand as a 4-H lecturer she has given at least 45 talks and written about 20.

Miss Graves' record in the field of music, she has been a member for three years of the English Merit Society, a member of the junior play cast and

## U.S. Corporate Profits Total Down Slightly

Industry's Big Boys Dip, Causing Drop In Over-All Tally

By SAM DAWSON

NEW YORK (AP) — Profits slid in 1956 for some of the big boys in American industry. And although two out of three corporations made more money last year than in 1955, the total for industry as a whole was pulled down by these gains.

So today combined net profits after taxes are running slightly behind in the first reports.

The first 697 corporations to report so far show that taken together their net income is 1.1 per cent behind what the same companies made in 1956. With many more to come—especially some of the big oil companies that are expected to show sizable gains—it's still a horse race.

The declines that pulled the average down were in the auto, steel, electric equipment, and chemical industries, and in nation's railroads.

Auto sales were off. Steel companies came back fast in the final months of the year but couldn't overtake the effects of the summer steel strike. A strike held one big electrical equipment firm's profits down. Some rails were hit hard by the steel strikes. Some chemical firms—like many in other industries—complain that rising costs pared profit margins.

You have to go back to 1952 to find the year-by-year profit changes so close. In that year business managed to squeeze an increase of only one half of 1 per cent over 1951. The following year it climbed 11 percent over 1952. There was a slackening in 1954 with profits topping 1953 by 3 per cent. In roaring 1955 corporate profits jumped 32 per cent. Last year, strikes and rising operating costs got in their licks.

The Commerce Department, which reports on earnings before taxes (a different measure) estimates that for all corporations' 1956 gross earnings should come to just under 43½ billion dollars. This would be a gain of 700 million over 1955, again of 1.6 per cent.

The department says that in the final three months the gross earnings were running at the highest rate of the year. They had started off good in the first three months, slipped in the next three, went down fairly sharply in the summer before recovering.

Of the 697 corporations in The Associated Press sampling, 221 declined from 1955, and 10 operated at a loss, compared with 13 the year before. Combined the 697 had net income of \$10,663,833,352, compared with \$10,785,867,891 for the same firms in 1955.

Coal made the most spectacular gains in 1956, largely because some concerns were deep in the red in 1955, and most showed nice profits in 1956.

Oil companies, with higher

## Soviets Disgust U. S. GI Turncoat

HONG KONG (AP) — The youngest American turncoat of the Korean War left Red China today saying he quit the Communist mainland in disgust over the "wanton killing by Russia in Hungary."

Samuel David Hawkins, now 23, declared he had made it plain to the Red Chinese authorities he wanted to leave because of the Soviet Union's action in putting down the Hungarian rebellion.

The Oklahoma City youth, only 17 when he defected to the Reds, reported that the Chinese did not try to stop him.

Hawkins is the seventh to come home of 21 U. S. soldiers who were captured during the Korean fighting and chose to remain with the Communists. One died in China and 13 are still there.

The returnee came from Canton to the border by train and crossed

### Overseas Trucking Service Underway

PHILADELPHIA (AP) — The first overseas trucking service between Philadelphia and European ports got underway Tuesday.

The 475-foot Carib Queen, described as the world's largest truck-trailer ship, was due in the Delaware River on her maiden voyage to dock at the Northern Metals Co. piers.

The Carib Queen carries 12 big Swiss and German trailers and 110 imported automobiles, plus some cargo picked up at Bremerhaven.

The trailers carry wines and brandies, machine parts, automobile tires and Swiss cheese, all destined for the New York area.

### Mansfield Asking Lima Air Route Cut

WASHINGTON (AP) — Mansfield, Ohio, has asked the Civil Aeronautics Board to drop Lima, Ohio, as a stopover point for Lake Central Airlines, and thus reduce flying time by 56 minutes in a direct Mansfield-Detroit route.

The airline serves Lima on an east-west route also serving Mansfield, but has been authorized to start Lima-Toledo-Detroit service March 19.

In its request, Mansfield said dropping the Lima stopover would not only cut down flying time, but would reduce the air mileage by 66 miles and would save passengers \$3.80 on each one-way fare.

sales, and their suppliers, show nice profit increases.

By categories: The 447 industries declined 3.3 per cent; the 130 rails declined by 4.4 per cent; and the 104 utilities increased by 9.4 per cent.

The biggest drops were auto makers by 35.8 per cent and the steels by 10.5 per cent.

The first transcontinental telephone line established in the United States was from New York to San Francisco.

## 4,000 Ohio Methodists Plan Parley

COLUMBUS (AP) — About 4,000 Methodists from across Ohio are expected to attend the Area Evangelistic Rally scheduled for next Tuesday in Veterans Memorial Building here.

Bishop Hazen G. Werner will preside over the morning session which will feature an address by Branch Rickey, a leader in organized baseball and a trustee of Ohio Wesleyan University.

Congregational singing will be directed by Dr. James R. Houghton of Boston University School of Theology and director of the Boston Seminary Singers. The Rev. Elwood Rose of the Ohmmer Park Church, Dayton, will be at the organ.

A panel headed by Dr. J. Otis Young, director of the Concern, will set forth the practical phase of the evangelistic endeavor. Panel members will include Charles Bright, Stanley Jeffery, Earl Henderson and Howard Mumma, chairman of special functional committees.

An address by H. Roe Bartle, mayor of Kansas City, Mo., will keynote the afternoon session.

Bishop Werner, assisted by the 19 district superintendents and a lay representative from each of the districts, will lead the assembly in a closing ceremony of consecration and dedication.

Dr. John W. Dickhaut, superintendent of the Columbus district, is chairman of the committee on local arrangements for the meeting.

ers who collaborated with their captors. A "certain element of opinion" made him decide not to return to the United States after the truce was signed, he continued.

Hawkins said he and other prisoners were subjected to a "strenuous" program — you could call it brainwashing. I halfway believed what I had been told and I wanted to see for myself."

But he said in the presentation of "opinion" the monopoly of the newspaper press is effective and that is the menace that the institution offers to American liberty."

## Man Tries Killing Ailing Wife, 60

CLEVELAND (AP) — A 72-year-old Cleveland Heights man critically injured his sick wife with a hammer Tuesday, said Police Lt. Charles Bythway, after writing a note about putting "my loving wife out of her misery."

Mrs. Edna Holland, 60, was taken to Huron Road Hospital.

Police said she had struggled with her husband long enough to reach a bedside telephone, dial the operator and scream.

Her husband, Roy, 72, was held at Cleveland Heights jail.

## Author Raps Thwarting Of News Reports

COLUMBUS (AP) — A former Baltimore editorial writer, author and commentator believes thwarting the Washington correspondent has become "the duty and the pleasure of every patriotic job-holder."

That was the remark of Gerald W. Johnson in the annual William Maxwell Memorial Lecture prepared for delivery today at the Press Institute of the Ohio State University School of Journalism.

Johnson, in the prepared lecture, criticized what he termed a marked disposition in Washington to assume that one thing it is not good for the citizen to hear is a detailed account of the way his own government works.

Johnson called the trend toward monopoly, "now 81 per cent complete," the most significant newspaper development of recent years. But he observed that "in news coverage the press monopoly does not exist" because of stiff competition from radio and television.

Another man told Bricker:

"The foreign aid phase surely can be classified as a failure. The increasing allotments to further the federal government's paternalistic projects does not fulfill what we thought we would get when we supported Republican candidates."

"Now this policy apparently has been reversed and we see the addition of more services offered and added expenses in every department."

Another man told Bricker:

## U.S. Corporate Profits Total Down Slightly

Industry's Big Boys Dip, Causing Drop In Over-All Tally

By SAM DAWSON

NEW YORK (AP) — Profits slid in 1956 for some of the big boys in American industry. And although two out of three corporations made more money last year than in 1955, the total for industry as a whole was pulled down by these gains.

So today combined net profits after taxes are running slightly behind in the first reports.

The first 697 corporations to report so far show that taken together their net income is 1.1 percent behind what the same companies made in 1956. With many more to come—especially some of the big oil companies that are expected to show sizable gains—it's still a horse race.

The declines that pulled the average down were in the auto, steel, electric equipment, and chemical industries, and in nation's railroads.

Auto sales were off. Steel companies came back fast in the final months of the year but couldn't overtake the effects of the summer steel strike. A strike held one big electrical equipment firm's profits down. Some rails were hit hard by the steel strikes. Some chemical firms—like many in other industries—complain that rising costs pared profit margins.

You have to go back to 1952 to find the year-by-year profit changes so close. In that year business managed to squeeze an increase of only one half of 1 percent over 1951. The following year it climbed 11 percent over 1952. There was a slackening in 1954 with profits topping 1953 by 3 percent. In roaring 1955 corporate profits jumped 32 percent. Last year, strikes and rising operating costs got in their licks.

The Commerce Department, which reports on earnings before taxes (a different measure) estimates that for all corporations' 1956 gross earnings should come to just under 43½ billion dollars. This would be a gain of 700 million over 1955, again of 1.6 percent.

The department says that in the final three months the gross earnings were running at the highest rate of the year. They had started off good in the first three months, slipped in the next three, went down fairly sharply in the summer before recovering.

Of the 697 corporations in The Associated Press sampling, 221 declined from 1955, and 10 operated at a loss, compared with 13 the year before. Combined the 697 had net income of \$10,663,833,352, compared with \$10,785,867,891 for the same firms in 1955.

Coal made the most spectacular gains in 1956, largely because some concerns were deep in the red in 1955, and most showed nice profits in 1956.

Oil companies, with higher

## Soviets Disgust U. S. GI Turncoat

HONG KONG (AP) — The youngest American turncoat of the Korean War left Red China today saying he quit the Communist mainland in disgust over the "wanton killing" by Russia in Hungary.

Samuel David Hawkins, now 23, declared he had made it plain to the Red Chinese authorities he wanted to leave because of the Soviet Union's action in putting down the Hungarian rebellion.

The Oklahoma City youth, only 17 when he defected to the Reds, reported that the Chinese did not try to stop him.

Hawkins is the seventh to come home of 21 U. S. soldiers who were captured during the Korean fighting and chose to remain with the Communists. One died in China and 13 are still there.

The returnee came from Canton to the border by train and crossed

### Overseas Trucking Service Underway

PHILADELPHIA (AP) — The first overseas trucking service between Philadelphia and European ports got underway Tuesday.

The 475-foot Carib Queen, described as the world's largest truck-trailer ship, was due in the Delaware River on her maiden voyage to dock at the Northern Metals Co. piers.

The Carib Queen carries 12 big Swiss and German trailers and 110 imported automobiles, plus some cargo picked up at Bremerhaven.

The trailers carry wines and brandies, machine parts, automobile tires and Swiss cheese, all destined for the New York area.

### Mansfield Asking Lima Air Route Cut

WASHINGTON (AP) — Mansfield, Ohio, has asked the Civil Aeronautics Board to drop Lima, Ohio, as a stopover point for Lake Central Airlines, and thus reduce flying time by 56 minutes in a direct Mansfield-Detroit route.

The airline serves Lima on an east-west route also serving Mansfield, but has been authorized to start Lima-Toledo-Detroit service March 19.

In its request, Mansfield said dropping the Lima stopover would not only cut down flying time, but would reduce the air mileage by 66 miles and would save passengers \$3.80 on each one-way fare.

sales, and their suppliers, show nice profit increases.

By categories: The 447 industries declined 3.3 percent; the 130 railroads declined by 4.4 percent; and the 104 utilities increased by 9.4 percent.

The biggest drops were auto makers by 35.8 percent and the steel by 10.5 percent.

The first transcontinental telephone line established in the United States was from New York to San Francisco.

## 4,000 Ohio Methodists Plan Parley

CLEVELAND (AP) — About 4,000 Methodists from across Ohio are expected to attend the Area Evangelistic Rally scheduled for next Tuesday in Veterans Memorial Building here.

Bishop Hazen G. Werner will preside over the morning session which will feature an address by Branch Rickey, a leader in organized baseball and a trustee of Ohio Wesleyan University.

Congregational singing will be directed by Dr. James R. Houghton of Boston University School of Theology and director of the Boston Seminary Singers. The Rev. Elwood Rose of the Ohmer Park Church, Dayton, will be at the organ.

A panel headed by Dr. J. Otis Young, director of the Concern, will set forth the practical phase of the evangelistic endeavor. Panel members will include Charles Bright, Stanley Jeffery, Earl Henderson and Howard Mumma, chairman of special functional committees.

"Perhaps they (the Chinese) would be much happier if they left," he said, but refused to name those to whom he referred.

"I personally don't like it," Hawkins said of the Red Chinese regime, "but if the Chinese like it, I have nothing to say. They have the afternoon session."

Bishop Werner, assisted by the 19 district superintendents and a lay representative from each of the districts, will lead the assembly in a closing ceremony of consecration and dedication.

Dr. John W. Dickhaut, superintendent of the Columbus district, is chairman of the committee on local arrangements for the meeting.

Hawkins said he went into combat Aug. 22, 1950, and was taken prisoner Dec. 1.

He ran a prison camp newspaper, he added, and was "termed progressive," a tag given prison-

ers who collaborated with their captors. A "certain element of fear" made him decide not to return to the United States after the truce was signed, he continued.

Hawkins said he and other prisoners were subjected to a "strenuous program — you could call it brainwashing. I halfway believed what I had been told and I wanted to see for myself."

But he said in the presentation of "opinion," the monopoly of the newspaper press is effective and that is the menace that the institution offers to American liberty."

## Man Tries Killing Ailing Wife, 60

CLEVELAND (AP) — A 72-year-old Cleveland Heights man critically injured his sick wife with a hammer Tuesday, said Police Lt. Charles Bythway, after writing a note about putting "my loving wife out of her misery."

Mrs. Edna Holland, 60, was taken to Huron Road Hospital.

Police said she had struggled with her husband long enough to reach a bedside telephone, dial the operator and scream.

Her husband, Roy, 72, was held at Cleveland Heights jail.

## Author Raps Thwarting Of News Reports

COLUMBUS (AP) — A former Baltimore editorial writer, author and commentator believes thwarting the Washington correspondent has become "the duty and the pleasure of every patriotic job-holder."

That was the remark of Gerald W. Johnson in the annual William Maxwell Memorial Lecture prepared for delivery today at the Press Institute of the Ohio State University School of Journalism.

Johnson, in the prepared lecture, criticized what he termed a marked disposition in Washington to assume that one thing it is not good for the citizen to hear is a detailed account of the way his own government works.

But he said in the presentation of "opinion," the monopoly of the newspaper press is effective and that is the menace that the institution offers to American liberty."

Another man told Bricker:

"The foreign aid phase surely can be classified as a failure. The increasing allotments to further the federal government's paternalistic projects does not fulfill what we thought we would get when we supported Republican candidates."

He said it is important that congressional committees have the "complete confidence of all of us" and "if just felt... we ought to regain our perspective."

That was his reply Tuesday to thing."

## Outside Help OKD For Highway Agency

COLUMBUS (AP) — The Senate Highway Committee has recommended passage of an administration-backed bill authorizing the Ohio Highway Department to hire outside help in purchasing land on which to build new roads. The vote was 7-0.

The House Taxation Committee recommended passage of a bill to cut the license fees of municipal buses to an annual \$10 a bus.

Fees run as much as \$300 a year.

## Judge Outlines His Views On Red Probes

WASHINGTON (AP) — Supreme Court Justice William J. Brennan Jr. says he favors congressional exposure of Communists but felt in 1954 "we ought to regain our perspective."

He said it is important that congressional committees have the "complete confidence of all of us" and "if just felt... we ought to regain our perspective."

That was his reply Tuesday to thing."

questions from Sen. McCarthy (Wis.), who in 1954 was busily investigating Reds as chairman of the Senate Investigations subcommittee. But Brennan testified he had no specific investigating committees in mind when he referred in speeches to "witch hunts."

In advance of a second public hearing called by the Senate Judiciary Committee for today, Sen. Clifford P. Case (R-NJ) said he was confident the Senate would confirm Brennan's nomination by an "overwhelming vote."

Brennan, a Democrat nominated by President Eisenhower last month, already is sitting on the court under a recess appointment made last fall after the retirement of Justice Sherman Minton.

The jurist said that in his speeches in 1954 and 1955 he had been "taking as an American speaking his piece about a scene that was bothering me."

He said it is important that congressional committees have the "complete confidence of all of us" and "if just felt... we ought to regain our perspective."

That was his reply Tuesday to thing."

## "Mary Haworth's Mail"

DEAR MARY HAWORTH: I am a girl 22, a divorcee with one child. My former husband Tom and I are still friends, and he takes the baby one or two days a week.

I have been going with a very nice fellow whom I truly love and respect. Here is the problem: Tom came by the other day and dropped in to see the baby. He was here about 15 minutes when Sam (my boy friend) came in. Well, after Tom left, Sam threw a fit and accused me of almost everything wicked. He said I should throw Tom out when he comes barging in.

Sam doesn't trust me, even though I have tried in every way possible to help him believe I've done nothing wrong.

We want to be married, but have delayed due to a difference in religion—as Sam's church rules out divorce.

Sam isn't talking to me nowadays, except when he thinks of something hurtful to say. I feel like dirt that has been thrown to the wind; and I must have advice soon, before I go completely crazy.

M. H.  
Mary Haworth counsels through her column, not by mail or personal interview. Write to her in care of this newspaper.

### Franco Shakes Up His Government

MADRID (AP) — Generalissimo Franco has reorganized his government to strengthen Spain's economy and to "meet modern needs."

The strength of the Falange in the Cabinet was trimmed but the Monarchists remain the largest faction.

The shakeup, first since 1951, brought in young men and new faces. It was Franco's answer to the country's rising inflation, political strife and public unrest.

An office of economic coordination was created. There was also a new ministry of housing to meet increasing complaints about the housing shortage.

### Fremont Mayor Named In Lawsuit

FREMONT (AP) — A suit to recover \$1,880.10 in fines and costs missing in Mayor J. M. Collins' court in 1955 and 1956 was filed by Calvin Bristley Jr., solicitor, in Sandusky County common pleas court Tuesday on behalf of the city of Fremont.

The action resulted from a state examiner's finding in that amount. The mayor said he has personal records of all fines as well as court records.

### 3 Akron Kiddies Die As Fire Hits Home In Country

AKRON (AP) — Three of Mr. and Mrs. Robert Burgoon's five children are dead today as a result of a fire at their home in Coventry Township a mile south of here. The fire broke out late Tuesday night while Burgoon was taking his wife, Florence, to a downtown Akron restaurant, where she is employed.

The victims were Michael, 5; Pat, 2, and Susie, 7. Dragged from an upstairs bedroom by members of the township fire department, the children were pronounced dead of asphyxiation at hospitals here. Bobby, 8, and 1-year-old Jimmy were rescued from a downstairs bedroom.

### Robinson Art Brings \$3 Million

NEW YORK (AP) — The bulk of actor Edward G. Robinson's art collection has been sold for more than \$3 million.

The sale is one of the largest transactions of its kind in this century.

E. Cor Kerr Jr., president of M. Knoedler & Co., century-old international art dealer firm, announced that the company had bought the Robinson art.

The actual price paid for the 38 paintings and one bronze—which made up all but 14 of the Robinson art works—was not disclosed. But Kerr said it was more than \$3 million.

### 15 Ice Fishermen Freed From Floe

PORT CLINTON (AP) — Fifteen ice fishermen were rescued from a drifting floe in Sandusky Bay Tuesday.

They hadn't noticed they were drifting out into Lake Erie until there was 100 yards of clear water between them and shore.

Yells to other fishermen brought an ice skiff from the Marblehead Coast Guard Station and several boats from a private company to the rescue.

### Economic Aid Curb Sought By Sen. Russell

WASHINGTON (AP) — Sen. Russell (D-Ga) claimed "substantial support" today for an amendment provisions from President Eisenhower's Middle East resolution.

Russell, chairman of the Senate Armed Services Committee, took the lead in a move to limit the resolution to a statement the United States "is prepared" to use military forces if necessary to help Middle East nations resist open Communist aggression.

His amendment would strike out House-approved authority for Eisenhauer to spend up to 200 million dollars for military and economic assistance in the area.

It was called up in the Senate for debate just before recess late Tuesday.

Russell said military assistance could "start an arms race that could very easily lead to war in an area where there are already so many strong animosities."

Senate Democratic and Republican leaders regard the Russell proposal as possibly a crucial test

### Industry Getting Coded Messages

COLUMBUS (AP) — Private industry soon will be using a device that codes and decodes teletype writer messages, Ohio Bell Telephone Co. has disclosed.

Government agencies have been using the device, called a cryptographic subset, for some time. The telephone company Tuesday received Ohio Utilities Commission permission to establish rates for private industry.

The couple had been dead about two hours when their bodies were discovered by a telephone repairman, police said.

An office of economic coordination was created. There was also a new ministry of housing to meet increasing complaints about the housing shortage.

### Fremont Mayor Named In Lawsuit

FREMONT (P)—A suit to recover \$1,880.10 in fines and costs missing in Mayor J. M. Collins' court in 1955 and 1956 was filed by Calvin Bristley Jr., solicitor, in Sandusky County common pleas court Tuesday on behalf of the city of Fremont.

The action resulted from a state examiner's finding in that amount. The mayor said he has personal records of all fines as well as court records.

### 3 Akron Kiddies Die As Fire Hits Home In Country

AKRON (P)—Three of Mr. and Mrs. Robert Burgoon's five children are dead today as a result of a fire at their home in Coventry Township a mile south of here. The fire broke out late Tuesday night while Burgoon was taking his wife, Florence, to a downtown Akron restaurant, where she is employed.

The victims were Michael, 5; Pat, 2, and Susie, 7. Dragged from an upstairs bedroom by members of the township fire department, the children were pronounced dead of asphyxiation at hospitals here. Bobby, 8, and 1-year-old Jimmy were rescued from a downstairs bedroom.

### Robinson Art Brings \$3 Million

NEW YORK (P)—The bulk of actor Edward G. Robinson's art collection has been sold for more than \$3 million.

The sale is one of the largest transactions of its kind in this century.

E. Coe Kerr Jr., president of M. Knoedler & Co., century-old international art dealer firm, announced the company had bought the Robinson art.

The actual price paid for the 58 paintings and one bronze—which made up all but 14 of the Robinson art works—was not disclosed. But Kerr said it was more than \$3 million.

### 15 Ice Fishermen Freed From Floe

PORT CLINTON (P)—Fifteen ice fishermen were rescued from a drifting floe in Sandusky Bay Tuesday.

They hadn't noticed they were drifting out into Lake Erie until there was 100 yards of clear water between them and shore.

Yells to other fishermen brought an ice skiff from the Marblehead Coast Guard Station and several boats from a private company to the rescue.

M. H.

Mary Haworth counsels through her column, not by mail or personal interview. Write to her in care of this newspaper.

### Economic Aid Curb Sought By Sen. Russell

WASHINGTON (P)—Sen. Russell (D-Ga) claimed "substantial support" today for an amendment provisions from President Eisenhower's Middle East resolution.

Russell, chairman of the Senate Armed Services Committee, took the lead in a move to limit the resolution to a statement the United States "is prepared" to use military forces if necessary to help Middle East nations resist open Communist aggression.

His amendment would strike out House-approved authority for Eisenhower to spend up to 200 million dollars for military and economic assistance in the area. It was called up in the Senate for debate just before recess late Tuesday.

Russell said military assistance could "start an arms race that could very easily lead to war in an area where there are already so many strong animosities."

Senate Democratic and Republican leaders regard the Russell proposal as possibly a crucial test for the Eisenhower resolution. It is cosponsored by Senators Byrd (D-Va) and Stennis (D-Miss).

### Industry Getting Coded Messages

COLUMBUS (P)—Private industry soon will be using a device that codes and decodes teletype-writer messages, Ohio Bell Telephone Co. has disclosed.

Government agencies have been using the device, called a cryptographic subset, for some time. The telephone company Tuesday received Ohio Utilities Commission permission to establish rates for private industry.

Mr. and Mrs. Franklin Smith and sons and Mr. and Mrs. Olan Tussing and Kathy were dinner guests of Mr. and Mrs. Lee Alexander and Janet.

Mrs. Ruth Lowe and daughters were house guests of Mr. and Mrs. Thomas Hilliard at Navarre.

Mr. and Mrs. Russell Reid Jr. and family, Mr. and Mrs. George Mowery and family, Mr. and Mrs. Richard Cook and Marcia, Mr. and Mrs. Stephen Cook and family and Miss Connie Wean were dinner guests of Mr. and Mrs. Russell Reid at Grove City.

The couple had dead about two hours when their bodies were discovered by a telephone repairman, police said.

Senate Democratic and Republican leaders regard the Russell proposal as possibly a crucial test for the Eisenhower resolution. It is cosponsored by Senators Byrd (D-Va) and Stennis (D-Miss).

### Ashville

Mr. and Mrs. Charles Hickman of Ashville were dinner guests of Mr. and Mrs. Marion Glick.

Howard Logsdon and Mr. and Mrs. Elmer J. Mallory and family were dinner guests of Mr. and Mrs. C. B. Morrison.

Mr. and Mrs. Clyde Hickman, Barbara and Bill, visited Mr. and Mrs. William F. Hodge and family and Mr. and Mrs. M. L. Long at South Charleston; and Mr. and Mrs. Marshall Van Atti and family at Plattsburg.

Mr. and Mrs. Warren Cummings and family were dinner guests of

a three-day trip to New York City, N. Y.

Mr. and Mrs. Arthur Whistner of Columbus were dinner guests of Mr. and Mrs. Marion Glick.

Howard Logsdon and Mr. and Mrs. Elmer J. Mallory and family were dinner guests of Mr. and Mrs. C. B. Morrison.

Mr. and Mrs. Clyde Hickman, Barbara and Bill, visited Mr. and Mrs. William F. Hodge and family and Mr. and Mrs. M. L. Long at South Charleston; and Mr. and Mrs. Marshall Van Atti and family at Plattsburg.

Mr. and Mrs. Warren Cummings and family were dinner guests of

Mr. and Mrs. Richard Beavers and daughter at Kingston, N. Y.

Mrs. Nettie Harris has left for a two-weeks' trip to Florida.

First Seaman Charles H. Brown is home on leave from the U. S. Navy for 25 days and is visiting Mr. and Mrs. Wayne F. Brown. Brown has seen service in Japan and China and will be stationed for a time in Australia following his return.

Miss Nancy Featheringham was a house guest of her school-mate, Marty Dore.

American females have a life expectancy of 71 years.

# Cost Of State Government Going Up \$6 Per Citizen

By ART PARKS

COLUMBUS, Ohio (AP)—The cost of state government is going up about \$6 per citizen per year for the next two years.

For the two-year bookkeeping period which ends June 30, the average citizen's share of state government costs has been about \$88. In the next two years, under Gov. C. William O'Neill's budget, it will be about \$100.

That does not include most of the cost of the gigantic highway program now under way. Taxpayers will finance that, too, but through federal taxes—for U. S. interstate highways—and special state taxes collected to retire Ohio's highway bonds.

Both Republican and Democratic leaders of the Legislature were unhappy over one "failing" of the budget O'Neill submitted Tuesday.

O'Neill, despite earlier unofficial indications to the contrary, failed to recommend any pay increases for state employees beyond the automatic pay boosts they will receive next summer under law.

All O'Neill did on the salary question was to recommend a study of the problem. That satisfied neither Republicans nor Democrats who are urging state employee pay raises to keep key workers from drifting away into higher-paid jobs in private industry.

But, Senate Majority Leader C. Stanley Mecham and House Speaker Roger Cloud agreed:

"The Legislature will give a pay

raise, weighted on the side of the low-salaried employees."

Said Senate Minority Leader Joseph W. Bartunek and House Minority Leader James J. McGettrick, both Cleveland Democrats, in a joint statement:

"It is the determination of the Democratic minority to provide ample funds to substantially increase the salaries of state employees and in order to do this we will seek to pare down the many excessive departmental budget recommendations of the governor."

O'Neill and his finance director, John Skipton, estimate the state's income in the next two years will be 45 million dollars higher than in the present biennium. They say this is conservative, that they are counting on only a 2½ per cent increase a year in the state's income.

Swelled by a whopping 561 million dollars in highway bond proceeds and federal highway aid, the O'Neill budget soared to a record \$1,706,899,004, about 442

## Limestone Hopper Kills Worker, 51

KENTON (AP)—Part of a hopper containing about 25 tons of pulverized limestone fell Tuesday on Martin Rall, 51, of Forest, crushing him to death.

The accident occurred while he was loading his truck at a quarry in McVitt.

million above the total cost of state government in the present two-year budget period.

Only about 25 per cent of the increase, however, is in the actual operating funds. All but about 2½ million of that increase is required by present laws—68½ million more for school subsidies, nearly 7 million more for medical care of the aged and nearly 18½ million more for state employees' salaries.

Only in recommending nearly 12 million more for state universities and nearly 14 million more for mental hygiene did O'Neill ask for more money than the law requires.

Instead of a single budget bill, the Legislature Tuesday received three. The bills would appropriate:

For general revenue operations, including the big highway program, \$1,149,238,704.

For local assistance, including the school subsidy of \$365 millions and for poor relief, \$412,039,000.

For aid for the aged, to the blind and to dependent children, \$145,621,900.

On top of those three bills, the Legislature will be forced to shell out another 39 million to make up budget deficits for the current biennium in a half dozen funds.

Figuring conservatively, O'Neill said, the state should have at least 30 to 35 million surplus in the treasury at the end of the present fiscal biennium, June 30. His own figures indicate the figure may be closer to 55 million.

## Farmers Prefer Cash Payoff In Soil Bank Setup

WASHINGTON (AP)—Farmers who retired land from production of surplus crops under the new soil bank program last year preferred to take their payments in cash rather than in surplus grains.

Legislation establishing the program permits farmers to take payments either in surplus crops or money. Sponsors hoped that many farmers would take the crops—a development which would save government cash outlays and at the same time reduce government crop surpluses.

But of the \$246,043,000 farmers earned under the program last year, only \$4,374,000 was taken in the form of crops, which were mostly oats for livestock feed in areas of tight feed supplies.

Farmers who take crops get an extra 5 per cent over those who take cash.

## Ohio Airman Shot In Rifle Mishap

WASHINGTON (AP)—Airman Clarence W. Duemmel, 19, of South Zanesville, Ohio, was shot by another airman while patrolling a security area at nearby Andrews Air Force Base Tuesday.

A spokesman at the base said the shooting was accidental.

According to the report, Duemmel was shot in the left thigh and groin by two .30 caliber bullets fired from the carbine of Airman Leman B. Farrar, 20, Morningstar, Md.

Duemmel was taken to Bolling Air Force Base Hospital, where his condition is serious.

## Army, Guard Said Now In Full Accord

WASHINGTON (AP)—Rep. Overton Brooks (D-La) Tuesday announced "full agreement" between the Army and the National Guard on a compromise to end their dispute over compulsory active duty training for new Guard recruits.

Brooks, chairman of a House Armed Services subcommittee which has been considering the problem, laid the proposed agreement before the subcommittee in a closed door meeting.

Indications were the group would approve. In such an event, approval by the full Armed Services Committee was taken for granted.

The heart of the agreement as Brooks outlined it is this:

The National Guard would be given the rest of this year in which to recruit youths 17 to 18½ years of age with the understanding they would be required to take only 11 weeks active training.

But they would have to enlist in time to complete 11 weeks training before next Jan. 1.

For new recruits over 18½ and having no prior military service, six months active duty training would be required, corresponding to the minimum requirement in other reserve programs.

The current 11-week training program of the Air National Guard would not be affected.

land and the Intertype Corp. of New York have approved merger of the two firms, subject to approval of the stockholders. The Cleveland firm is primarily a producer of printing presses while Intertype specializes in typesetting equipment. The combined organization would be known as the Harris-Intertype Corp. It would have annual sales amounting to about \$60 million.

### "LOST" ISLANDS

IT UNDOUBTEDLY will come as a surprise to the servicemen who served on Guam, Wake, Midway and other Pacific islands during the Second World War to learn that the Army has lost them. Or is this an admission of the failure of our educational institutions?

Also, the assumption that the people are so uninformed is a criticism of our newspapers, magazines, radio and television which reach more Americans than ever before. Is it not rather that most hard-headed, practical citizens find their own conclusions from the data presented to them?

Dean Edward W. Barrett of the Graduate School of Journalism at Columbia University has stated the case of the well-informed versus the uninformed better than I had ever seen it done. He said:

"I, for one, shudder at what might happen if some new mountebank, as temporally persuasive as a Joe McCarthy, should arise and start inflaming our highly vocal but ill-informed citizens on the delicate issues that lie ahead. That is why, just as de Toqueville feared the 'tyranny of the majority,' men like Walter Lippmann today see domination by uninformed mass opinion as a grave threat."

However, it is mass opinion, informed or uninformed, which is bound to prevail in all but totalitarian countries. The question then is whether it is necessary to change our form of government and to limit the rights of the people so that instead of uninformed mass opinion, we shall be governed by informed elite opinion. And what evidence is there to establish the assurance that the informed can also think well and competently?

For instance, it is not difficult to become informed about Arab history and literature or even to learn to read and speak Arabic, Aramaic and Hebrew. But does that have any relationship to wisdom or judgment or the emotional quality of patriotism?

I am making no defense of ignorance but I must ask why even in Soviet Russia where the government need pay no attention to public opinion, informed or uninformed, they have not entrusted their government to a council of experts but rather to two roughneck politicians such as Khrushchev and Bulganin.

There is a vast hiatus between the capacity to amass information and the ability to think out problems. Such a statesman as Sir Winston Churchill is not an expert in many fields. He could hire these experts who briefed him as to the facts, but it takes judgment, imagination, prescience, wisdom to see the consequences of a political action maybe decades after the action was initiated.

Perhaps that explains why Stalin was able to increase the territory of Russia beyond the dreams of Peter the Great.

(Continued on Page Eleven)

Scientists say there are 200 billion galaxies in the universe, but this shouldn't impress Uncle Sam. He owes more than that many billions of dollars.

Psychologist says it is possible to like 98 per cent of the people you meet. Possible, but not probable.

Despite acreage curtailment, some crops are as big as before. But government experts never were good at subtraction.

## Teen-Agers Not Half-Baked

By HAL BOYLE

NEW YORK (AP) — America's new cherry pie baking champion says it is unfair to the nation's youth to regard teen-agers as half-baked.

She believes there are more problem children among adults. "Some grownups certainly don't behave as well as the average teen-ager," said Mary Ann Bartholomay firmly.

"The stories you hear about wild teen-agers concern only a few, a very few. Most of them will grow up to be fine citizens."

Mary Ann, blonde, poised and pretty, is a 17-year-old high school senior from Henrietta, N. Y., who won a \$500 college scholarship and an electric range by winning the 25th national cherry pie baking contest over 150,000 other girl and boy contestants between the ages of 14 and 20.

She clinched the title in Chicago in a drama-and-pie-packed baffle victory over 50 other finalists. Her other rewards were a trip to New York City and

Washington, D. C., and a chance to bake a pie for President Eisenhower.

Her triumph was no accident. Miss Bartholomay, who baked her first pie at 11, went into serious training last August. Since then she has baked several hundred pies, experimenting with dozens of recipes. Some of the pies her family ate, some were sold at church suppers, a few she gave to her high school principal (she makes good grades).

Her prize-winning secrets: She put in four drops of almond flavoring to lend her pie piquancy, and instead of using either lard or vegetable shortening exclusively to make the crust, she used 1/2 cup of each.

Her life looks to teenage Mary Ann, only child of a steam shovel operator in a small town in the suburbs of Rochester.

"No, I don't drink or smoke. I go to a school that has about 1,400 students, from kindergarten through the 12th grade.

I give you a great champion—Mary Ann!

Washington, D. C., and a chance to play intermural sports. I also teach Sunday School and help my mother, who is active in 4-H Club work.

"I like to sew and knit, and my mother and I make most of my clothes.

"I want to become a home economics teacher, then get married at 23 and have two or three children, and live in a middle class town. My husband? He must be considerate and happy, not necessarily handsome, financially secure although not really loaded.

"Yes, I like rock 'n' roll music, but I like classical and semiclassical music better.

"What do I think is wrong with grownups? Nothing's wrong with most of them.

"The teen-agers need them as a guiding hand, but sometimes grownups should also leave us alone so that we may learn to depend on ourselves in this world."

### "LOST" ISLANDS

IT UNDOUBTEDLY will come as a surprise to the servicemen who served on Guam, Wake, Midway and other Pacific islands during the Second World War to learn that the Army has lost them. Or to be more precise, the islands aren't where Army maps show them to be.

No need to become alarmed about the present inhabitants of the islands, though. The Army knows how to find them even if they aren't where they are supposed to be. Also, the assumption that the people are so uninformed is a criticism of our newspapers, magazines, radio and television which reach more Americans than ever before. Is it not rather that most hard-headed, practical citizens find their own conclusions from the data presented to them?

Dean Edward W. Barrett of the Graduate School of Journalism at Columbia University has stated the case of the well-informed versus the uninformed better than I had ever seen it done. He said:

"I, for one, shudder at what might happen if some new mountebank, as temporarily persuasive as a Joe McCarthy, should arise and start inflaming our highly vocal but ill-informed citizens on the delicate issues that lie ahead. That is why, just as de Toqueville feared the 'tyranny of the majority,' men like Walter Lippmann today see domination by uninformed mass opinion as a grave threat."

Although the Army has known about the location errors of the islands for some time, it has been unable to take completely reliable readings using the usual astronomical methods. As Lt. Col. Robert Moore, executive officer of the map service stated the difficulty with present methods, "We don't know exactly in which direction they are in error."

During the coming International Geophysical Year, Colonel Moore and his associates expect to find the exact locations of the various points in question by tracking radio signals from the satellites to be launched. After the satellites have circled the earth several times their exact orbits will be known, enabling the teams to be stationed on the islands to find the latitude and longitude of their locations.

In case the competitive services are prompted to snicker at the Army's inability to locate these islands, it might be pointed out that any service which can wage a successful war without knowing where it or the enemy is must be pretty good.

### FAIRLESS ON AID

THE IRRITATION of many Americans with nations which proclaim "neutrality" between communism and the Free World and yet want American foreign aid has been forcefully expressed by Benjamin Fairless.

Fairless, former head of the U. S. Steel Corp., is now chairman of the President's Citizens Committee on Foreign Aid. In an interview in Tokyo he said:

"As far as you and I and the United States are concerned, we are attempting to help people help themselves. If they want freedom, we, to the extent of our abilities, are going to help them remain free. But if any country wants communism, my answer to that is to let them have communism."

There is little doubt that his remarks were aimed at such countries as India and Indonesia, although Fairless explained that it wasn't for him to say what countries should or should not have American aid.

But the trouble is that often the U. S. is not dealing with rational leaders and certainly not with informed peoples who understand what communism is all about.

## These Days

There seems to be a growing belief that opinion must be formed or informed and that the uneducated masses do not know enough to make any sense. Those who think this way have to explain how it happens that so large a part of the American population have gone to high school and some kind of college in this generation.

Do they assert that in the good, old days when so few had college educations that the majority of our people were better informed than they are today? Or is this an admission of the failure of our educational institutions?

Also, the assumption that the people are so uninformed is a criticism of our newspapers, magazines, radio and television which reach more Americans than ever before. Is it not rather that most hard-headed, practical citizens find their own conclusions from the data presented to them?

Dean Edward W. Barrett of the Graduate School of Journalism at Columbia University has stated the case of the well-informed versus the uninformed better than I had ever seen it done. He said:

## DIET AND HEALTH

### Make Sure His Shoes Are The Proper Fit

By HERMAN N. BUNDESEN, M.D.

A LARGE number of foot defects among children can be traced to faulty footwear.

Not only must you make sure your youngster has shoes of the proper size, you must also be certain the shoes are made correctly and of the right materials.

Heavy shoes appear to be more durable and you might be tempted to buy them on the theory that they won't wear out so quickly. But their very ruggedness might be injurious to your tot's feet.

**Bend Easily**

Your youngster's feet, you must understand, are pretty plastic. They bend easily at the ball unless hampered by a firm substance such as a thick, heavy sole. Therefore, the soles of their shoes should be flexible. I also suggest the soles be of a good grade leather and that the upper portions of the shoes be made of a supple leather such as kid.

This will permit the normal expansion of the growing foot as well as help prevent athlete's foot and other skin diseases.

Germans thrive where there is darkness, moisture and heat, and is functioning properly.

## Looking Back In Pickaway County

### FIVE YEARS AGO

Harley Evans of Atlanta won the annual Bob Bowsher basketball trophy as the outstanding eager in Pickaway County.

### TWENTY-FIVE YEARS AGO

Ray W. Davis announced his candidacy for the Republican nomination for the office of Prosecuting attorney.

Mrs. H. O. Caldwell was named president of the Pickaway County Women's Republican Club.

### TEN YEARS AGO

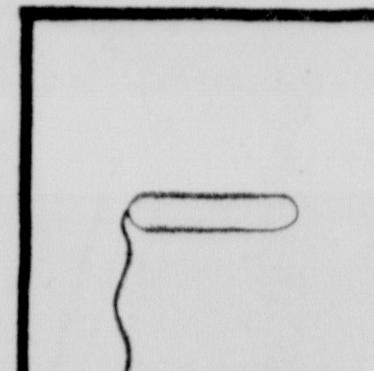

The local Jaycees voted in favor of supporting school legislation which would give teachers statewide pay raises.

## DROODLES

By ROGER PRICE

### MONOCLE FOR ENGLISHMAN WHO SQUINTS?

My associate, Dr. Kitzinger, tells me that the Monocle was invented by Baron August Von Monocle, a Prussian Officer who couldn't wear glasses because his eyes had been sliced off while dueling at Old Heidelberg. I doubt this very much but Dr. Kitzinger has included this information in his latest book, "FACTS OR BALONEY," so I'll go along with it. It does make for interesting reading though. For example, did you know that: The Pajama String was invented 49 years before Pajamas... Lassie can either read nor write... Yelser Spivey spelled backward is Elvis Presley... Chicken Fat isn't made from fat chickens... Blood is thicker than Sauerkraut Juice... The Maui tribes don't believe in coffee breaks... This Column is ended.

## World Today

By JAMES MARLOW  
Associated Press  
News Analyst

WASHINGTON (AP) — President Eisenhower is like a juggler trying to keep four glass balls in the air at the same time.

Former President Truman says he sympathizes with Eisenhower because a president has "more troubles than any man in the world."

Truman doesn't agree with how Eisenhower is handling some of his troubles. And, because other people feel the same way, that's one more trouble for Eisenhower.

Here are the four glass balls:

1. Eisenhower is trying to keep Russia — or at least Russian influence — out of the Arab world of the Middle East while increasing American influence there.

2. He's trying to get Israeli troops out of Egypt without flatly promising this country will keep Egypt from attacking Israel once the latter withdraws, since such promises would certainly inflame Egypt and perhaps the Middle East.

3. While juggling those balls, he's waiting for King Saud of Saudi Arabia, who recently visited him, to talk the Arabs into staying away from Russia and increasing their confidence in the good will of the United States.

4. But in the effort to get Israel out of Egypt, the Eisenhower administration has indicated it might consider sanctions against Israel if she doesn't withdraw. This may please the Arabs but it has angered friends of Israel, including many people in this country. Among them are leaders of both parties in Congress.

In the end it may turn out that Eisenhower — who is placing a lot of reliance on the United Nations to solve the Israeli problem — might have done better and saved trouble by asserting more positive direct leadership in the Middle East.

For example: by getting tougher with Egyptian President Nasser, who now can sit back at least, if it works to keep Communist influence away from the Arabs.

Eisenhower's argument was that this course will satisfy Arab nationalistic desires for neutralism while showing good will to the West.

But some of Eisenhower's patience may be beginning to pay off a little, anyway.

Tuesday Saud, now in conference in Egypt with Nasser, Jordan's King Hussein and Syrian President Kuwayti, reportedly was trying to persuade them to clamp down on Communists at home while staying free of alignment.

## Try and Stop Me

By BENNETT CERF

EAMONN ANDREWS, panel moderator of the "What's My Line" TV show in Great Britain, lists occupations that have never come along to plague John Daly and his American panel — as yet, anyhow!

Here are a few: a pork pie raiser, chucker-outer, blueberry breeder, hare controller, skeleton beater, winkle washer, sagger maker's bottom knocker, haggis mixer, ship's husband, brandy snap curler, and a wuzzler.

These are real occupations, mind you! A pork pie raiser, for instance, is a cook of sorts and a winkle washer works in a fish establishment. For further information, you'll have to contact Eamonn Andrews, care of BBC, London.

In "Printing News," Commentator Sam Himmell indicated that a lot of the tears shed over vanishing village smithies might have been saved for more deserving unfortunates. There are still 18,215 blacksmiths shops in the U. S., but only 7,368 bookstores!

## Obligation Night Observed At Meeting Of Local OES

Session Conducted In Masonic Temple

Obligation Night was observed at the regular meeting, Tuesday evening of Circleville Chapter No. 90, Order of the Eastern Star. The session was held in Masonic Temple with Mrs. Clarence Radcliffe, Worthy Matron, presiding.

Distinguished guests present were: Miss Marie L. Hamilton, Past Grand Matron of the Grand Chapter of Ohio, Order of Eastern Star; Mr. and Mrs. Ralph Yingling, Worthy Patron and Worthy Matron of Kingston Chapter, Kingston; and Mrs. Donald Collins, President of District 23.

Communications were read from the office of the Grand Secretary of the Grand Chapter of Ohio, Order of Eastern Star, relative to two projects endorsed by the Worthy Grand Matron and which subordinate chapters are asked to support: Retarded Children and Eastern Star Training Awards for Religious Leadership.

Mrs. Radcliffe announced May 18 as the date of the Annual Inspection of Circleville Chapter with Mrs. Marjorie Kuntzman, Deputy Grand Matron of the Grand Chapter of Ohio, District 23, as the Inspecting Officer.

Mrs. Radcliffe also stated that Mrs. Martha Newell, Worthy Grand Matron of the Grand Chapter of Ohio, would make an official visit to Circleville Chapter September 10.

Mrs. George Kuhn, chairman of the ways and means committee, announced plans for a rummage sale to be held in April.

During the obligation ceremony Mrs. Dunkle sang "Star of the East." She was accompanied at the piano by Mrs. Arthur Bowman.

Mr. Radcliffe led the members in repeating and renewing the Obligation of the Order. Mr. Earl Hilyard, Chaplain, offered prayer.

Mrs. Willard Foreman, Mrs. Kenneth Shepler, Mrs. Merle Huffer, Miss Elma Rains, Mrs. William Cook, Mrs. James Grant, Mrs. Robert S. Elsea and Mrs. Kuhn also had a part in this obligation ceremony.

The ceremony with all members singing "Blest Be The Tie That Binds".

There will be initiatory work at the next meeting, March 12. Mrs. John Wood will serve as chairman of the refreshment committee.

Mrs. Arthur Sark and her committee used a red and white patriotic theme in the decorations when refreshments were served following the meeting.

## Family Circle Meets In Parish

The Family Circle of Trinity Lutheran Church met in the parish house Sunday evening with fifty-three members and guests in attendance.

A carry-in dinner was served by Mr. and Mrs. Donald Wolf and Mr. and Mrs. Herbert Hammel.

The family devotions were led by Mr. John Gast, church intern.

A short business meeting was conducted by president, Mrs. Galen Mowery, who urged members to invite other families to attend the meetings.

The children were entertained by participating in games, with Washington's birthday and Valentine's Day as the theme.

The program committee was headed by Mrs. Russell Skaggs, Mrs. George Mallett and Mr. Gast. The next meeting will be March 31 at 6:30 p. m. with a carry-in dinner and a Minstrel Show.

THREE-PIECE SUIT COSTUME in sheer gray wool combined with printed silk for spring is from George Carmel's collection. The short, demifitted jacket curves inward at the midriff with two patch pockets placed directly above the waistline. The jacket is lined with gaily printed silk in tones of pink and gray to match a short-sleeved blouse.

### Mrs. Smith Hosts Berger Guild 28

Mrs. Howard Smith of Lynwood Ave. was hostess to nine members of Berger Hospital Guild 28 for the group's latest meeting.

Mrs. E. J. Stucker, chairman, was in charge of the business session.

Mrs. Channing Vlerebome gave a report on the last General Guild meeting, after which the group discussed several ways to raise money.

Following the business meeting, Mrs. Stucker read a letter from Mrs. George Welker, a former member who now resides in Florida.

Refreshments were served by the hostess during the social hour.

The March meeting of the Guild will be held in the home of Mrs. Clara Belle Hughes.

### Household Hints

Citrus fruits and tomatoes are ace-high in supplying vitamin C; green and leafy vegetables and potatoes are also sources of this vitamin and can help to make up the quotient of this nutrient we need every day.

Nice baste for a ham: apricot preserves mixed with an equal amount of orange juice.

Broil frozen steaks and chops about four inches from the source of heat.

When a batch of frozen fruit juice concentrates were tested recently, those containing the highest levels of vitamin C (ascorbic acid) included lemon, orange, grapefruit.

### Theodore Finley To Give Talk At Women's Meeting

Mr. Theodore R. Finley, Presbyterian missionary on furlough from Mexico, will speak to the Women's Association of the Presbyterian Church at 2 p. m. Friday.

Since 1944, Mr. Finley has pioneered in a sleepy, rural village in Yucatan, Mexico, called Xocenpich. The frontier that is his to conquer is the challenge of the spiritual, physical and intellectual needs of the Mayan Indian people of the area. Southeastern Bible Institute, the school which he moved to Xocenpich in 1941 from Meridian, the capital of Yucatan state, trains young men of the Mayan Indians as pastors to return to their villages.

A pastor in these rural villages needs to know not only how to preach and counsel, but how to raise corn and farm animals, and how to help the older people in his village learn to read. Training in the same situation as that prevailing in their villages is of practical value to these young men.

At Southeastern the boys do the necessary construction on any building needed and learn agriculture and animal husbandry. They participate in the community center attached to the small church in Xocenpich, where young people's groups enjoy activities, and where there is a literacy class for older people.

Week ends and during vacations, the students return to their own communities where they serve as a pastor or assistant pastor, putting into practice with their own neighbors the things they have learned. In the summer season they till their own farms.

Mr. Finley is the son of former missionaries to Brazil, is an alumnus of Tusculum College in Greenville, Tenn., and has an MA degree from Columbia University.

### Personals

Mrs. Oscar Allen and daughter Judy of Circleville Route 3 spent several days visiting in the home of Mr. and Mrs. Tony Panian of Detroit, Mich.

Mr. Lloyd Steele of Chicago, Ill., flew by plane to Cincinnati on a business trip. He was accompanied by his wife. On their return trip they spent several days visiting Mr. Steele's parents, Mr. and Mrs. Walter Steele of 214 S. Scioto St.

Mrs. Alice Sensenbrenner of Mount St. attended a divisional cosmetic meeting in Columbus. Following the meeting she was an overnight guest of her son-in-law and daughter, Dr. and Mrs. David D. Turner of Columbus.

Eye make-up is something you can usually omit from your purse. Apply mascara at home in the morning and the job is done for the day unless, of course, you are going on to a glamorous evening. Not so with other make-up, however.

Lipstick must go where a gal does, also powder and rouge.

Sometimes you can save space with gadgets.

There is, for example, a lipstick case that folds flat against a mirror backed with gold mesh. When

day at 6:30 p. m. in the social room of Presbyterian Church.

Members and husbands or guests are invited, and are to bring own table service and a covered dish.

Mr. Harold Weaver of Basil, nationally known authority on roses, will be guest speaker.

### Men's Jokes Of Handbag Sometimes Very Deserving

You can always count on 15 minutes of entertaining to them, at least—conversation when a guy gets on the subject of ladies' handbags and contents thereof.

"You need a truck for all the stuff you tote around," he will remark, or "Why don't you get yourself a porter to carry that bag around for you?" he will ask jovially.

It is irritating, but sometimes the criticism is deserved. Women have a squirrel-like way of storing the most unnecessary items in handbags. They bulge with possessions. Picking them up would break a wrestler's arm.

There are a number of things mainly beauty items that a gal needs to carry with her if she is to refresh her looks during the day. The thing to do is make a list of the cosmetic necessities, then pick and choose ones that are space-savers.

Eye make-up is something you can usually omit from your purse. Apply mascara at home in the morning and the job is done for the day unless, of course, you are going on to a glamorous evening. Not so with other make-up, however.

Lipstick must go where a gal does, also powder and rouge.

### Friends Entertain At Bridal Shower For Tacie Briggs

A bridal shower was held honoring Miss Tacie Briggs, bride-elect of Mr. David Dunn.

Hostesses for the shower were Mrs. Edward Dunn, Mrs. Marvin Dunn and Mrs. Bernard Carle. The event took place in the home of Mrs. Edward Dunn of Park St.

Games were conducted with prizes awarded to Miss Mary Ann McClure and Mrs. Howard Metzger.

Pink and white decorations were carried out where the bride was seated. Refreshments were served by candlelighted table.

Guests for the event were:

Mrs. Robert Valentine, Mrs. Gene Wright, Mrs. Roger Ricevuto, Miss Mary Ann McClure, Miss Gladys Jacobs, Miss Jean Smock, Mrs. Dale Gifford, Mrs. Barbara Parten, Mrs. Bernard Young, Mrs. Lorin Duddleson, Mrs. Clarence Huffer, Mrs. Harold Pontius, Mrs. Edgar McClure, Mrs. J. D. Poling, Mrs. Howard Metzger, Miss Nancy Dunn, Miss Robin Parten;

Miss Debbie Dunn, Miss Patty Dunn, Mrs. Thomas Brooks, Mrs. E. O. Dunn, Mrs. Donald Hildenbrand, Mrs. Laura Wilkins, Miss Hazel Dunn, Mrs. Charles Waple, Mrs. Woodrow Dunn, Mrs. Grover Dunn, Miss Percilla Duddleson, Mrs. Ralph Strous, and Mrs. Oscar Troehler.

Gifts were sent by:

Mrs. William Hildenbrand, Mrs. Robert Young, Mrs. Charles Roberts, Miss Janet Briggs, Mrs. Harry Wright, Mrs. Kenneth Shepler, Mrs. Cleve Dunn, Mrs. Carl Green, Mrs. John Dresbach, Mrs. Clara Hood, Mrs. Samuel Dearth, Mrs. Austin Wilson, Mrs. William Troehler, Mrs. Lorin Creager, Miss Rose Hildenbrand, Miss Joyce Boldosser, Miss Betty Boldosser, Miss Joyce Boldosser and Mrs. Donald Poling.

Another lipstick is looped to a handsome compact that is a three-in-one space-saving design, because it is backed by a tiny coin purse. There are other compact designs that conserve space by including rouge as well as powder compartments.

Appreciations were directed to the following:

Desk: Mrs. Larry Varble, Mrs. Donald Miller, Mrs. Clarence Hancher Jr., Mrs. Francis Snyder and Mrs. George Hamman III.

Donating Room: Mrs. Howard Huston, chairman, Mrs. Paul White and Mrs. Harrison Wolfe.

Canteen, Ladies of the DAR: Mrs. R. R. Bales, Miss Betty McCoy, Mrs. Ira Stump, Mrs. W. L. Mack, Mrs. Richard Hedges, Mrs. Clifton Mahaffey, Mrs. Robert Knode, Miss Ollie Sockrider, Mrs. James Moffitt and Miss Marie Hamilton.

Nurses aide on temperatures: Mrs. Emory Ridlon.

The volunteer doctors and nurses, the sheriff's department, the Methodist Church and the county engineer's office.

The next visit of the bloodmobile is scheduled for April 8.

### OFF TO A GOOD SPRING START

The whole family will look spring-fresh, feel spring zest in clothes cleaned by our experts!

We give that "like new" "Martinizing" sparkle to everything from Dad's Suits and Mom's Dainty Frocks to the Kid's play togs.

## 37 Attend Meet Of County Grange

Worthy Master F. R. Lands presided when 37 members and juveniles gathered for the latest meeting of Washington Grange.

Mrs. David Bolender, chairman of the home economics committee, gave a report on the stock sale dinner, served by the Grange.

The Charter was draped in memory of Mrs. Anthony Wojciak.

Miss Weta Mae Leist, lecturer, was in charge of the program. She used a patriotic theme for the evening.

Members sang "Battle Hymn of the Republic" and "America the Beautiful."

The lecturer gave a list of great men's birthdays in February, and readings were given about Lincoln and Washington.

A quiz was conducted on the Lincoln Memorial and a quiz on Things Washington Never Knew.

Facts were given on the Washington Monument.

Each member gave a safety suggestion for the highway, farm and home, after which refreshments were served.

The next meeting will be March 12.

## Let's All Go Shopping!

By MRS. LEORA SAYRE  
Home Economics Agent  
Extension Service

★ ★

Before we make out next food shopping trip let's all consider this statement of Samuel Johnson: "Few things are dwelt upon as earnestly as man thinks about his dinner."

When planning for food and feeding we should all more earnestly think about the food elements which give us health.

It is well known that milk is one of our very best foods. That is, it has more of the elements necessary for good nutrition than any other food. It is an ideal food around which to buy a losing as well as a gaining diet. What other food can we secure that offers so much for 10 to 11 cents per pound?

The rich stores of nutrients in milk are essential to the health and well being of everyone. Regardless of how you look at it, milk is a good buy. It will cost \$1.40 to buy the same nutrients the are available in milk for \$1 if you buy them in alternative foods. On this basis, the nutrients in a quart of milk are worth 33 cents. (It takes less work time today to buy a quart of milk than was true 10 years ago.)

However—when one picks up a bottle or cardboard container of milk, they are buying a lot more than just milk. As a matter of fact, less than half the money actually goes for milk. Yet, the other things bought are important. Without some of them, we would not have milk!

Milk must be made available for local grocery stores, delivery trucks, dispensers, restaurants, and other places. So, someone must transport the milk from the farm to a processing plant. About five cents of every dollar spent for milk goes to pay for this assembly service.

Homogenization, pasteurization, refrigeration, and packaging require machinery, buildings, manpower and all the expenses that go into operating a plant. About 18 cents of the milk dollar go to pay for these processing services.

The two most common ways of distributing milk to consumers are retail stores and delivery trucks. These costs account for about 23 cents of the milk dollar.

In conclusion—the farmer receives approximately 45 cents of the milk dollar, administrative expenses of the marketing companies cost about four cents, and the remaining five cents can be classified as profits.

Over 23 million dairy cows are working to produce approximately 240 billion eight-ounce glasses of milk this year. This amounts to over 1400 glasses for every man, woman and child. About half of this amount will be consumed as fluid milk and the other half will be used in various manufactured forms.

For those who would rather eat than drink their Nature's Perfect Food, a Lemon Sponge Pudding is suggested: The ingredients are: one cup sugar,  $\frac{1}{4}$  cup flour,  $\frac{1}{2}$  teaspoon salt, two tablespoons butter or margarine, five tablespoons lemon juice, grated rind of one lemon, three egg yolks, one and one-half cups MILK, three egg whites.

The procedure: Set oven at 325. Grease custard cups or

Louis Arquila, 26

Stewardess Virginia Buss, heroine.

At Washington stop, prisoner Mrs. Dorothy Barchard, 19, guarded.

NORTHWEST AIRLINES has added Virginia Buss to its list of heroic stewardesses following her quick action 17,000 feet up when a bank robber suspect being taken to Baltimore from Minneapolis, Minn., tried to take over. He is Louis Arquila, captured in Minneapolis along with two companions, Mrs. Dorothy Barchard, 19-year-old mother and gun moll, and Martin Feeney. They were being taken to Baltimore in connection with a \$12,000 bank robbery. Suddenly Arquila leaped up, threw his dinner plate at a guard and lunged for the cockpit door. Little Miss Buss held door closed and a guard clubbed Arquila down. (International)

## Movie Chief Top Witness In Spy Trial

NEW YORK (AP) — Government counsel have identified Boris Morros, former Hollywood producer and music director, as a key prosecution witness for the trial here of three persons accused of spying for the Soviet Union.

Whereabouts of the Russian-born Morros have not been revealed, and his role in the case is cloaked with mystery.

There were unofficial reports that government officials are keeping him out of the way of possible harm.

Morros was named Monday by Chief Asst. U.S. Atty. Thomas B. Gilchrist, Jr., as the "individual" mentioned in 14 overt acts allegedly involving the three defendants.

The overt acts in which Morros allegedly was a figure included meetings in New York, Paris, Vienna and Zurich, Switzerland. The

quart size baking dish. Combine sugar, flour, and salt in a large mixing bowl. Cut fat into mixture with pastry blender or two knives. Beat egg yolks well and combine with the one and one-half cups milk. Add this to the other mixture and mix well. Add lemon juice and rind. Beat egg whites until they are stiff enough to hold peaks but are not dry. Fold into other mixture.

Pour into custard cups or baking dish. Bake in a pan of hot water until custard is set—(about 45 minutes for large baking dish or about 30 minutes for custard cups).

For those who would rather eat than drink their Nature's Perfect Food, a Lemon Sponge Pudding is suggested: The ingredients are: one cup sugar,  $\frac{1}{4}$  cup flour,  $\frac{1}{2}$  teaspoon salt, two tablespoons butter or margarine, five tablespoons lemon juice, grated rind of one lemon, three egg yolks, one and one-half cups MILK, three egg whites.

## 5 Good Democrats Picked By Eleanor

NEW YORK (AP) — Mrs. Franklin D. Roosevelt has named five men she said would make good Democratic presidential candidates in 1960.

The list did not include Adlai Stevenson, whom she supported in two unsuccessful bids for the presidency.

She said she "would be happy" to see any of these Democrats in the race.

Sen. Wayne Morse of Oregon, Gov. C. Mennen Williams of Michigan, freshman Sen. Joseph Clark of Pennsylvania, Gov. Edmund Muskie of Maine, and Chester Bowles, former governor of Connecticut and former U.S. ambassador to India.

## Hearing Booked In Store Slaying

CANTON (AP) — Preliminary hearing is scheduled March 7 in municipal court for Harry Dale Bundy, 39, of Zanesville, charged with first degree murder in the slaying of two men in a Uniontown grocery robbery. Judge Robert P. Wilson set the date after Bundy pleaded innocent.

The slaying occurred in the County Line Market, near the Summit County line, Nov. 23. The victims were Reynaldo P. Amadio, 30, of Canal Fulton, the store manager, and Paul E. Cain, 35, of Cuyahoga Falls, a clerk. Also charged in the slayings is Russell Thomas McCoy, 22, held in Zanesville.

## Postal Accidents Show Decline

WASHINGTON (AP) — Postmaster General Summerfield says accidents involving postal vehicles "were reduced in 1956 to the lowest point in modern history."

But, he added, the 16,000 traffic mishaps last year involving a cost of \$1,200,000 show "the matter of motor vehicle safety still offers a tremendous challenge."

These accidents, in 750 million miles of driving by 97,000 employees, resulted in 21 deaths and 334 injuries and added up to a rate of 2.14 accidents per 100,000 miles of driving he said.

## GI Loan Interest Hike Predicted

COLUMBUS, Ohio, (AP) — Congress can be expected to raise interest rates on GI home loans from 4 1/2 to 5 percent "before very long," predicts the president of the Mortgage Bankers Assn. of America.

John F. Austin Jr. of Chicago told the Columbus Mortgage Bankers Assn. Tuesday night, however, that he does not believe Congress will "go beyond permitting a 5 per cent ceiling."

## School Notes —

### CIRCLEVILLE HIGH

Ronald Stucker and David Hamel will represent Circleville High School at the Foreign Affairs Convention in Cincinnati March 8 and 9. During the convention they will meet students from many other high schools in the state. Main feature of the convention will be speakers, prominent in affairs of government and current events. The event is sponsored by the Rotary Club.

David and Ronald were chosen after achieving the highest scores on a current events test given to American Government students.

### Ohio Wesleyan

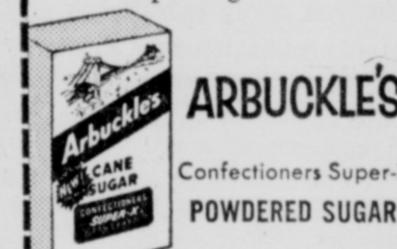

Early in February, 10 Circleville High School vocalists and instrumentalists attended a music festival at Ohio Wesleyan University. Rehearsals were held in the morning and afternoon.

During the rehearsals, there were auditions for students planning to attend Ohio Wesleyan.

### Top a treat with old-fashioned hard sauce!

Cream  $\frac{1}{2}$  cup butter. Gradually add 2 teaspoons vanilla and  $\frac{1}{2}$  cups sifted Arbuckle's Confectioners Sugar. Chill and "top" hot gingerbread, baked apples, steamed puddings!

Dream to Drive  
at a Dream of a Price

COME do yourself a favor. Try this '57 Buick SPECIAL.

Its price level you can see right here—right down close to the smaller cars.

But you'll have to see in person how much more you get for each dollar you pay in a Buick.

Fact is, this one's all new—straight through—deep inside where it counts most.

Sure, it has the new look and line and dashingly low profile that go with a brand-new body.

What's more to the point . . . it has an all-new engine—mightiest in all SPECIAL history.

It has an all-new Dynaflow\* performance—a new Variable Pitch Dynaflow with instant response.

And there's magic in its new chassis design—which gives new road-hugging lowness with full ground clearance—and still keeps plenty of headroom, hiproom, legroom and footroom. What all this does for your ride and comfort is something you can learn only at the wheel.

Try it, at your Buick dealer's—drive the big-buy big car of 1957.

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**Let's All Go Shopping!**By MRS. LEORA SAYRE  
Home Economics Agent  
Extension Service

Before we make out next food shopping trip let's all consider this statement of Samuel Johnson: "Few things are dwelt upon as earnestly as man thinks about his dinner."

When planning for food and feeding we should all more earnestly think about the food elements which give us health.

It is well known that milk is one of our very best foods. That is, it has more of the elements necessary for good nutrition than any other food. It is an ideal food around which to buy a losing as well as a gaining diet. What other food can we secure that offers so much for 10 to 11 cents per pound?

The rich stores of nutrients in milk are essential to the health and well being of everyone. Regardless of how you look at it, milk is a good buy. It will cost \$1.40 to buy the same nutrients are available in milk for \$1 if you buy them in alternative foods. On this basis, the nutrients in a quart of milk are worth 33 cents. (It takes less work time today to buy a quart of milk than was true 10 years ago.)

However—when one picks up a bottle or cardboard container of milk, they are buying a lot more than just milk. As a matter of fact, less than half the money actually goes for milk. Yet, the other things bought are important. Without some of them, we would not have milk!

Milk must be made available for local grocery stores, delivery trucks, dispensers, restaurants, and other places. So, someone must transport the milk from the farm to a processing plant. About five cents of every dollar spent for milk goes to pay for this assembly service.

Homogenization, pasteurization, refrigeration, and packaging require machinery, buildings, manpower and all the expenses that go into operating a plant. About 18 cents of the milk dollar go to pay for these processing services.

The two most common ways of distributing milk to consumers are retail stores and delivery trucks. These costs account for about 23 cents of the milk dollar.

In conclusion—the farmer receives approximately 45 cents of the milk dollar, administrative expenses of the marketing companies cost about four cents, and the remaining five cents can be classified as profits.

Over 23 million dairy cows are working to produce approximately 240 billion eight-ounce glasses of milk this year. This amounts to over 1400 glasses for every man, woman and child. About half of this amount will be consumed as fluid milk and the other half will be used in various manufactured forms.

For those who would rather eat than drink their Nature's Perfect Food, a Lemon Sponge Pudding is suggested: The ingredients are: one cup sugar, 1/4 cup flour, 1/4 teaspoon salt, two tablespoons butter or margarine, five tablespoons lemon juice, grated rind of one lemon, three egg yolks, one and one-half cups MILK, three egg whites.

The procedure: Set oven at 325. Grease custard cups or

Louis Arquila, 26    Stewardess Virginia Buss, heroine.

# CHS Cagers Get Tourney Victory

Tigers Humble Franklin Heights; Face Westerville Friday Night

Circleville's cage Tigers racked up their first Central District basketball tournament win last night when they posted a lopsided 76 to 16 victory over Franklin Heights at Denison University in Granville.

The story can be summed up by saying that the young and inexperienced Franklin Heights cagers were no match for the Tigers.

Although the locals found themselves trailing 4-0 early in the first quarter, they soon found the range to make a complete runaway of the game.

The losers collected six points in the first quarter, one basket in the second, one in the third and three in the final stanza.

THIS, surprisingly enough, completed the evening's scoring for Franklin Heights. Their point out-

put failed to include a single foul shot completion.

By virtue of their tourney win, the Tigers are slated to meet Westerville Friday night on the Denison hardcourt.

Westerville's cagers also won last night, posting a close 57 to 53 victory over London. Their record for the season stands at nine wins and eight losses.

If the Tigers are successful against Westerville, they will meet the winner of Friday night's Columbus East-Gahanna tour on Monday.

Franklin Heights hit the scoring column first when Dick Norris connected on a pivot shot. Leroy Schmidt made it 4-0 in favor of Franklin as he collected a two-pointer a few seconds later.

With about three minutes gone, Circleville finally got things started when Bill Johnson netted a tally from underneath. Jon Parcher then evened things at 4-4 on a tip in.

THE LOCALS took the lead for the first time on a long shot by Tom Krinn. However, Bob Pearce of Franklin knotted the score at 6-6 by swishing one from the side.

At this point, the Tigers suddenly hit their stride to go out in front 15-6 as the first quarter ended.

After the second period got underway, the Tigers still continued to pour on the steam as they ran the score to 37-8 by the time the intermission buzzer sounded. This second quarter onslaught was led by Johnson who tallied 10 points.

It was the same story in the second half as the CHS cagers scored almost at will while at times the losers were almost unable to get close to the basket.

Martinez, 27-year-old, fourth-

ringing welterweight contender from nearby Paterson, N. J., won the referee's decision over the 31-year-old ex-champ in an interesting 10-round Tuesday night.

Referee Joe Harrison, the only official under New Jersey rules, awarded the verdict to the pride of Jersey by a 6-3-1 rounds score.

Twelve of 18 boxing writers at the ringside thought the Ked won.

Circleville's attack was paced by Johnson who recorded 27 tallies on 12 goals and three foul shots. Krinn collected 11, Parcher had 10 and John Davis posted nine.

BOB Fraser, one of the Tigers' leading scorers, saw limited action in the game it was learned at halftime that he was running a temperature over the 100 mark.

He did not take part in second half play.

The best Franklin Heights could do in the scoring department was four points each by Frank Cunningham and Bob Pearce.

Circleville's meeting with Westerville Friday night will start at about 8 p. m. The first contest of the evening between Columbus East and Gahanna is set for 7 p. m.

Last night's box scores are as follows:

Circleville 12 3 27  
Johnson 12 3 27  
Davis 4 1 9  
Krinn 4 3 11  
Parcher 5 0 10  
Simes 0 0 0  
Fraser 1 0 2  
Barthelmas 1 0 2  
Hosler 1 2 4  
Banks 0 3 3  
Wright 2 0 4  
Totals 30 12 75  
Franklin Heights 0 0 0

Score by Quarters: 1 2 3 Total  
Circleville 12 5 8 10 16  
Franklin Heights 0 0 0 10 16  
Referees: Rayl & Whetstone.

**Pennsy Boy Dunks 92 Points in Tilt**

CONFLUENCE, Pa. (AP) — College basketball scouts will be interested to note that Mike Kasnick of Shade-Central City high school tied the unofficial Pennsylvania scholastic scoring record of 92 points in a single game.

The 5-11 senior, who has scored 680 points in 15 games this season, was practically the whole show Tuesday night as his team whipped Turkey Foot Valley 107-53 in this southwestern Pennsylvania community.

Bob Mullery of St. Vincent, Plymouth, Pa., set the unofficial record of 92 points last week.

**Dambach To Get Conservation Toga**

CLEVELAND (AP) — The Ohio Outdoor Writers Assn. today announced selection of Dr. Charles A. Dambach of Worthington as its "man of the year in conservation."

Dr. Dambach was honored for his work as chief of the Ohio Wildlife Division, a post he formerly held, and in his present capacity as director of the Natural Resources Institute of Ohio State University.

## Half Of Pro Lakers May Refuse Move

ROCHESTER, Minn. (AP) — John Kundla, coach of the Minneapolis Lakers, said Tuesday night that half of the pro basketball team possibly would remain in Minneapolis or retire if the franchise is transferred to Kansas City.

Ben Berger, president of the club, signed a conditional sales agreement in New York earlier this week with former baseball great Marty Marion and Milton Fischmann. Berger said the team would go for \$150,000 if Minneapolis' interests can't meet that figure by March 13.

Berger, who owns two-thirds of the National Basketball Assn. franchise, added it appears unlikely the money can be raised in Minneapolis and that the team would move to Kansas City.

Kundla said he talked with players when the original story came out that the two St. Louis men wanted to buy the franchise. He said half indicated an intention of staying in the Mill City or retiring.

Franklin Heights hit the scoring column first when Dick Norris connected on a pivot shot. Leroy Schmidt made it 4-0 in favor of Franklin as he collected a two-pointer a few seconds later.

With about three minutes gone, Circleville finally got things started when Bill Johnson netted a tally from underneath. Jon Parcher then evened things at 4-4 on a tip in.

THE LOCALS took the lead for the first time on a long shot by Tom Krinn. However, Bob Pearce of Franklin knotted the score at 6-6 by swishing one from the side.

**Hebert Favored In Louisiana Test**

BATON ROUGE, La. (AP) — The \$15,000 Baton Rouge Open Golf Tournament opens Thursday with a Louisiana native among the favorites for the first time.

Husky Jay Hebert of Lafayette, former Louisiana State University golfer, is the only professional with two victories on the winter tourney circuit this year.

Hebert, 34, now playing out of Sanford, Fla., won the Bing Cross by National Pro-Amateur Tournament and the \$20,000 Texas Open at San Antonio and was runner-up in the \$35,000 Los Angeles Open.

Sieverts, while in high school,

was coached by Red Courtney and was two varsity letters in basketball. He also participated in baseball at the local school.

In his junior and senior year Sieverts was chosen to the second South Central Ohio League all-league basketball team. He has been a regular center for the Capital squad which has a record of 8 wins and 5 losses for the season.

Walt is the son of Mr. and Mrs. F. W. Sieverts of 503 N. Pickaway St. and is enrolled in the liberal arts curriculum at Capital.

## Stu Holcomb Irked By New Big Ten Rule

EVANSTON, Ill. (AP) — Stu Holcomb, Northwestern athletic director, criticized the Big Ten's new athletic aid code and said it is unfair to conference members unless the NCAA could be persuaded to make it nationwide.

The plan grants athletes tuition, room, board and fees according to their needs.

Holcomb said numerous persons who had agreed to send their sons to Northwestern have withdrawn such promises, costing the Wildcats at least half a dozen potential football stars.

It was the same story in the second half as the CHS cagers scored almost at will while the losers were almost unable to get close to the basket.

All 12 of the Tigers' traveling squad saw action in the test. Eleven of the cagers managed to get into the scoring column.

Circleville's attack was paced by Johnson who recorded 27 tallies on 12 goals and three foul shots. Krinn collected 11, Parcher had 10 and John Davis posted nine.

BOB Fraser, one of the Tigers' leading scorers, saw limited action in the game it was learned at halftime that he was running a temperature over the 100 mark. He did not take part in second half play.

The best Franklin Heights could do in the scoring department was four points each by Frank Cunningham and Bob Pearce.

Circleville's meeting with Westerville Friday night will start at 8 p. m. The first contest of the evening between Columbus East and Gahanna is set for 7 p. m.

Last night's box scores are as follows:

	G	F	T
Johnson	12	3	27
Davis	4	1	9
Krinn	4	3	11
Parcher	5	0	10
Simes	0	0	0
Fraser	1	0	2
Shupe	1	0	2
Bartelma	1	0	2
Hosler	1	2	4
Wright	2	4	6
<b>Totals</b>	<b>32</b>	<b>12</b>	<b>76</b>
<b>Franklin Heights</b>	<b>G</b>	<b>F</b>	<b>T</b>
Shupe	0	0	0

## Pennsy Boy Dunks 92 Points In Tilt

CONFLUENCE, Pa. (AP) — College basketball scouts will be interested to note that Mike Kasnick of Shade-Central City high tied the unofficial Pennsylvania scholastic scoring record of 92 points in a single game.

The 5-11 senior, who has scored 680 points in 15 games this season, was practically the whole show Tuesday night as his team whopped Turkey Foot Valley 107-53 in this southwestern Pennsylvania community.

Bob Mullery of St. Vincent, Plymouth, Pa., set the unofficial record of 92 points last week.

Dambach To Get Conservation Toga

CLEVELAND (AP) — The Ohio Outdoor Writers Assn. today announced selection of Dr. Charles A. Dambach of Worthington as its "man of the year in conservation."

Dr. Dambach was honored for his work as chief of the Ohio Wildlife Division, a post he formerly held, and in his present capacity as director of the Natural Resources Institute of Ohio State University.

## Half Of Pro Lakers May Refuse Move

ROCHESTER, Minn. (AP) — John Kundla, coach of the Minneapolis Lakers, said Tuesday night that half of the pro basketball team would remain in Minneapolis or retire if the franchise is transferred to Kansas City.

Ben Berger, president of the club, signed a conditional sales agreement in New York earlier Tuesday with former baseball great Marty Marion and Milton Fischmann. Berger said the team would go for \$150,000 if Minneapolis interests can't meet that figure by March 13.

Berger, who owns two-thirds of the National Basketball Assn. franchise, added it appears unlikely the money can be raised in Minneapolis and that the team would move to Kansas City.

Kundla said he talked with players when the original story came out that the two St. Louis men wanted to buy the franchise. He said half indicated an intention of staying in the Mill City or retiring, while the other half said they would stay with the team because they have three or four years of playing left.

Kundla, who said his own plans weren't definite, did not name any names.

## Gavilan Burning After Losing Nod In Martinez Bout

NEWARK, N. J. (AP) — Kid Gavilan, still burning over what he called "another hometown decision," and sharp-shooting Vince Martinez were all set today to sign for a return bout.

Martinez, 27-year-old, fourth-ranking welterweight contender from nearby Paterson, N. J., won the referee's decision over the 31-year-old ex-champ in an interesting 10-round Tuesday night.

Referee Joe Harrison, the only official under New Jersey rules, awarded the verdict to the pride of Jersey by a 6-3 rounds score.

Twelve of 18 boxing writers at the ringside thought the Keed won. Four had Vince the winner while two had it even.

## County Granges List Tournament At Walnut School

The Pickaway County Grange basketball tournament will begin March 4 at 8 p. m. with Scioto Grange meeting Star Grange at the Walnut Township gym.

The winner of this game will then meet Nebraska Grange on the losers floor for the champion-ship.

A trophy will be awarded to the most outstanding player in the tournament. A trophy will also be presented to the winning team.

Walt Sieverts, a 1936 graduate of Circleville High school, is a member of the Junior Varsity Basketball squad at Capital University in Columbus.

Sieverts, while in high school, was coached by Red Courtney and won two varsity letters in basketball. He also participated in baseball at the local school.

In his junior and senior year Sieverts was chosen to the second South Central Ohio League all-league basketball team. He has been a regular center for the Capital squad which has a record of 8 wins and 5 losses for the season.

Walt is the son of Mr. and Mrs. F. W. Sieverts of 503 N. Pickaway St. and is enrolled in the liberal arts curriculum at Capital.

## Kell Optimistic About '57 Season

SCOTTSDALE, Ariz. (AP) — "I never started a season in my life that I didn't think I'd hit .300 and this is no exception."

That was Baltimore's George Kell talking, just after he had signed an Oriole contract believed to provide \$35,000. The 34-year-old infielder signed Monday after checking into the Oriole spring training camp and taking his first workout.

## Legal Notices

IN THE PROBATE COURT, PICKAWAY COUNTY, OHIO  
Etta Miller, administratrix of the estate of Martha Griffey, deceased, Plaintiff,  
vs.  
Defendants.

### NOTICE OF PUBLIC SALE

In pursuance of the order of the Probate Court of Pickaway County, I will offer for sale at public auction on the 2nd day of March, 1957, at 10 o'clock A.M., in the Probate Court Room, Pickaway County Court House at Circleville, Ohio, an undivided one-half interest of the following described real estate situated in the State of Ohio, County of Pickaway and Village of Commercial Point, to-wit:

Being a part of Lot No. Two (2) of the subdivision of land herein described by J. A. Beckett (deceased) and a part of Survey No. Seven Thousand Four Hundred, Fifty-nine (7459) Virginia Military District:

Beginning at a stake in the center of the Commercial Point and Harrisburg Turnpike; thence No. 87 1/4 deg. N. 231 feet to a stake; thence N. 30 deg. E. 194 feet to a stake in the Commercial Point and Harrisburg Turnpike; thence with said turnpike S. 47 1/2 deg. E. 308 feet to the place of beginning, containing Eighteen rods (82) of land, more or less.

EXCEPTING FROM the above the following described property: 143 of an acre or 3040 1/2 feet of land, more or less, and being a part of an 82 rod tract of land deeded to Dr. George D. Griffey and Martha Griffey by Dr. George D. Griffey and Martha Griffey on March 9, 1916 and recorded in Deed Book 95, page 39 Pickaway County Recorder's Office, and the tract herein excepted being more particularly described as follows: Beginning at the northeast corner to Cleve Barnhouse tract; land S. 95 feet to the southwester corner of the Cleve Barnhouse tract; thence W. 38 feet to a point, thence N. 65 feet to the center of the Harrisburg and Commercial Point and Harrisburg Turnpike; thence with said road 54 feet to the place of beginning, containing .143 acres of land, more or less.

Said premises are appraised at Seven Hundred Seventy-five and one-hundred Dollars (\$775.00) and must be sold for not less than two-thirds (2/3) of the appraised value, and the terms of the sale are ten per cent (10%) cash in hand on the day of the sale, and the remainder upon confirmation of the sale and delivery of the Deed.

Mrs. Miller, administratrix of the estate of Martha Griffey, deceased.

## North Carolina Needs 1 More Cage Victory

### Defeat Of Duke '57 To Bring No. 1 Team Undefeated Season

By THE ASSOCIATED PRESS

It was the end of things for a couple of college basketball teams Tuesday night.

For Wilmington, it was the end of its regular season schedule. For Muskingum, it was the end of the Muskie's hopes to become champions of the Ohio Conference.

Wilmington, in defeating Wilberforce 64-59 at Wilmington, finished the season with a 15-4 record. The Quakers go to Youngstown Monday for a game with Steubenville to determine an Ohio entrant in the NAIA tournament at Kansas City.

Marietta's upset 96-94 victory over Muskingum at Marietta made it impossible for the Muskies to catch conference-leading Capital University. Muskingum now has an 8-4 loop record, compared to Capital's 13-3 mark.

In other activity, Defiance's Yellow Jackets came from behind to defeat Wittenberg 53-48 at Defiance.

The Gamecock sharpshooter poured in 39 points to lead his club to a 98-96 triumph over The Citadel. He has scored an average of 30.48 points per game to 30.30 for Gibbon, whose team was idle Tuesday night.

Three other teams in the top 130 of the Associated Press poll played Tuesday night. Southern Methodist, No. 4, polished off Texas Christian 88-75 to run its record to 20-3, but sixth-ranked UCLA had its Pacific Coast title hopes jolted by Southern California 84-80.

Seattle, No. 5 and a top contender for the National Invitation Tournament in New York next month, clubbed Portland 105-95.

Elgin Baylor, the nation's third-ranking scorer, hit for 51 points for Seattle. His average now stands at 30.09.

Notre Dame, which came along with a rush in the second half of the season, won its seventh in a row and 11th in its last 13 starts by crushing Marquette 76-56.

North Carolina was given a king-sized scare by Wake Forest. With just 46 seconds to go, the Deacons led by 64-63. But they couldn't hold their advantage.

Tar Heel ace Lennie Rosenbluth dropped in two free throws and North Carolina was out of the hole. Rosenbluth was high man with 30 points.

Seattle, No. 5 and a top contender for the National Invitation Tournament in New York next month, clubbed Portland 105-95.

# Bloodmobile Turnout Gains, But District Again Fails Quota

## Chairman Lauds Work; 118 Pints Collected Here

Prospective Donors Warned Wait Needed After Salk 'Shots'

Win Story, newly named chairman of the Pickaway County Red Cross blood program, today reported a marked improvement in the number of donors who turn out for bloodmobile visits here.

He said the latest visit "was the best we've had in several months." He warned, however, that the district again failed to meet its quota. Only 118 pints of blood were collected. The county's quota per visit is 150 pints.

A number of prospective donors were rejected at the last minute because they had recently received Salk anti-polio injections. Anyone receiving one of the anti-polio inoculations is not eligible to donate blood for a two-week period following the injection.

Latest donors, as reported by the Red Cross, were as follows:

GENERAL ELECTRIC — Mrs. Mildred Campbell, Arthur Frances, Marilyn Kneec, Mrs. A. H. Lumpe, Charles Smith, Eugene Dowler, George Skaggs, John Stokes, Hugh Archer, John Roll, Mrs. Marilyn Boltenhouse, Dwight Rector, Helen Lemley, Doris Inbody, Mrs. Evelyn Holland, George Sparks, Richard Yocom, Jim Hatfield, Barbara Metz, Betty Karr, Ruth Walisa, Bob Garrett, Hilda L. Francis, Rosie Atwood, Effie List, Richard Hall, Edward Grigg, Dorsey Bosworth.

DU PONT — Donald Mancini, Schubert Measmer, Gordon A. Fraser, Ed Whaley, Fred Redman, Walter Fisher, Fred Rhymes, C. R. Thomas, R. C. Anderson, Charles Fausnaugh, Sam Cook, Robert Christy, John Saurez, L. P. Porebski, Ralph Scoton, Charles Ried, Charles Thomas, John Ecard, Charles Thomas, John Henson, W. W. Story, Don Henson, E. E. Reynolds, Richard Oiney, Billy Smith.

RALSTON PURINA — Glenn Justice, Hugh Montgomery, Marion Steinhauer, Roy McNeal.

ESHELMAN'S — Lee Holbrook, Jack Lane, Roliff Wolford.

ESMERALDA CANNING CO — J. I. Smith.

CONTAINER CORPORATION — Richard Stein, Harry Metcalf,

## 55 'Lost' Graves Target Of Search

CLEVELAND — The Independence Village Council is trying to locate 55 "lost" graves.

A village employee recently removed markers, dating back to the War of 1812, from veterans' graves in Mapleshade Cemetery and planned to repoint them. However, when it came time to replace them, no one could remember where they belonged.

It turned out that there is no complete plan showing which were the veterans' graves in the municipal cemetery.

## U.S. Newsprint Output Seen Getting Boost

WASHINGTON — Sen. Potter (R-Mich.) said today a Senate newsprint investigation might point the way to two plans for boosting U. S. production of newsprint.

One, he said, would be a fast tax write-off provision to encourage construction of more newsprint plants in this country, which now is dependent on Canada for about three-fourths of its supply.

The other could be some form of government aid to develop cheaper power sources in Alaska, Potter said.

The senator is a member of the Interstate Commerce Committee which Tuesday opened hearings on newsprint prices and supply.

One witness said congress had held 25 newsprint investigations in the last 29 sessions.

This latest probe resulted from

## Controversial Film Due To Be Aired On Milwaukee TV

MILWAUKEE, Wis. — The first television showing of the film "Martin Luther" has been scheduled for March 8 over a Milwaukee station.

E. C. Pommerening, executive secretary of the Wisconsin division of Lutheran Men in America, announced that the picture would be seen under "reputable commercial sponsorship."

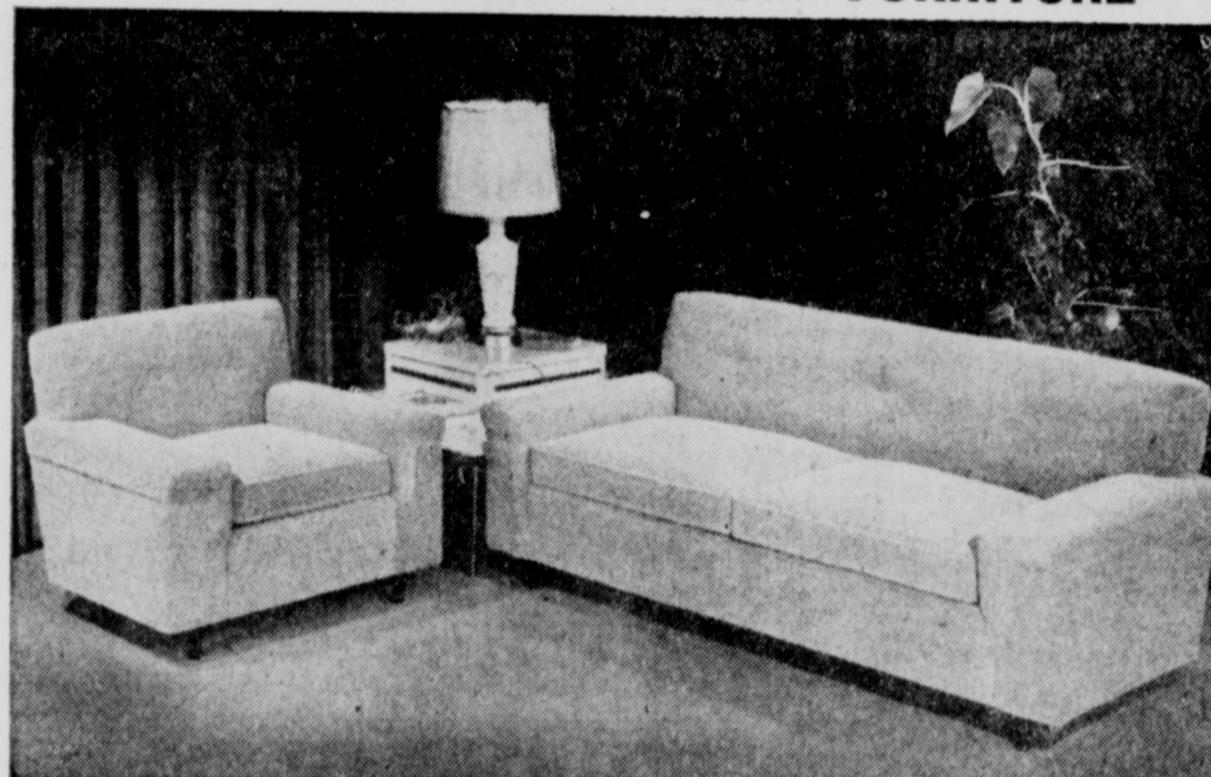

A scheduled showing of the film over a Chicago station last December was cancelled because of what the station termed "emotional reaction" to the presentation. Protestant clergymen protested that the cancellation was provoked by "pressure" from the Roman Catholic Church.

a \$4 a ton price increase recently announced by Canadian manufacturers. The increase is effective Friday.

\$743,150; federal share, \$688,835. Improving 1.5 miles of U. S. 68 in Greene and Clinton counties at a cost of \$379,950; federal share, \$189,975.

The department also announced it has hired Elmer S. Barrett Associates of Chillicothe to select the best route in Franklin, Pickaway, Madison, Fayette and Clinton

counties for a proposed freeway between Columbus and Wilmington. Another firm has already been hired to survey a route from Wilmington to Cincinnati.

The route, planned as a replacement for a proposed north-south toll road, is part of the federal interstate highway system and is eligible for 90 per cent federal aid.

# Bloodmobile Turnout Gains, But District Again Fails Quota

## Chairman Lauds Work; 118 Pints Collected Here

Prospective Donors Warned Wait Needed After Salk 'Shots'

Win Story, newly named chairman of the Pickaway County Red Cross blood program, today reported a marked improvement in the number of donors who turn out for bloodmobile visits here.

He said the latest visit "was the best we've had in several months." He warned, however, that the district again failed to meet its quota. Only 118 pints of blood were collected. The county's quota per visit is 150 pints.

A number of prospective donors were rejected at the last minute because they had recently received Salk anti-polio injections. Anyone receiving one of the anti-polio inoculations is not eligible to donate blood for a two-week period following the injection.

Latest donors, as reported by the Red Cross, were as follows:

GENERAL ELECTRIC — Mrs. Mildred Campbell, Arthur Francis, Marilyn Kneec, Mrs. A. H. Lumm, Charles Smith, Eugene Dowler, George Skaggs, John Stokes, Hugh Archer, John Roll, Mrs. Marilyn Boltz, Dwight Rector, Helen Lemley, Doris Inbody, Mrs. Evelyn Holland, George Sparks, Richard Yocom, Jim Hatfield, Barbara Mels, Betty Karr, Ruth Walisa, Bob Garrett, Hilda L. Francis, Rosie Atwood, Effie List, Richard Hall, Edward Grigg, Dorsey Bosworth.

DU PONT — Donald Mancini, Schubert, Measamer, Gordon A. Fraser, Ed Whaley, Fred Redman, Walter Fisher, Thomas Rhodes, C. R. Thomas, R. C. Anderson, Charles Fausnaugh, Sam Cook, Robert Christy, John Saurez, L. P. Porebski, Ralph Scotoni, Charles Ried, Charles Thomas, John Ercard, W. W. Story, Don Henson, E. E. Reynolds, Richard Olney, Billy Smith.

RALSTON PURINA — Glenn Justice, Hugh Montgomery, Marion Steinhauser, Roy McNeal.

ESHELMAN'S — Lee Holbrook, Jack Lane, Rollif Wolford.

ESMERALDA CANNING CO — J. I. Smith.

CONTAINER CORPORATION — Richard Stein, Harry Metcalf,

55 'Lost' Graves Target Of Search

CLEVELAND — The Independence Village Council is trying to locate 55 "lost" graves.

A village employee recently removed markers, dating back to the War of 1812, from veterans' graves in Mapleshade Cemetery and planned to repaint them. However, when it came time to replace them, no one could remember where they belonged.

It turned out that there is no complete plan showing which were the veterans' graves in the municipal cemetery.

Tea was discovered by the Chinese Emperor Chinmung in 2737 B. C.

ALGERIA, revolting against ruling France and a major problem for the United Nations, is four times the size of France and more than three times size of Texas. Algerians demand independence.

## U.S. Newsprint Output Seen Getting Boost

WASHINGTON — Sen. Potter (R-Mich.) said today a Senate newsprint investigation might point the way to two plans for boosting U. S. production of newsprint.

One, he said, would be a fast tax write-off provision to encourage construction of more newsprint plants in this country, which now is dependent on Canada for about three-fourths of its supply.

The other could be some form of government aid to develop cheaper power sources in Alaska, Potter said.

The senator is a member of the Interstate Commerce Committee which Tuesday opened hearings on newsprint prices and supply.

One witness said congress had held 25 newsprint investigations in the last 29 sessions.

This latest probe resulted from

## Controversial Film Due To Be Aired On Milwaukee TV

MILWAUKEE, Wis. — The first television showing of the film "Martin Luther" has been scheduled for March 8 over a Milwaukee station.

E. C. Pommerning, executive secretary of the Wisconsin division of Lutheran Men in America, announced that the picture would be seen under "reputable commercial sponsorship."

A scheduled showing of the film over a Chicago station last December was cancelled because of what the station termed "emotional reaction" to the presentation. Protestant clergymen protested that the cancellation was provoked by "pressure" from the Roman Catholic Church.

The other could be some form of government aid to develop cheaper power sources in Alaska, Potter said.

The senator is a member of the Interstate Commerce Committee which Tuesday opened hearings on newsprint prices and supply.
